BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[Docket Number NIOSH-294]

World Trade Center Health Program; Request for Nominations of Scientific Peer Reviewers of Proposed Additions to the List of WTC-Related Health Conditions

AGENCY: National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Request for scientific peer reviewers.

SUMMARY: The CDC is soliciting nominations, including self-nominations, for scientific peer reviewers of proposed additions of conditions to the List of World Trade Center (WTC)-Related Health Conditions (List).

Title I of the James Zadroga 9/11 Health and Compensation Act of 2010, Public Law 111-347 (Jan. 2, 2011), amended by Public Law 114-113 (Dec. 18, 2015), added Title XXXIII to the Public Health Service Act (PHS Act), establishing the WTC Health Program within HHS (42 U.S.C. 300mm to 300mm-61). When the Administrator proposes to add a condition to the List, he must publish the proposed rule in accordance with the Administrative Procedure Act (5 U.S.C. 553). Additionally, as required by the James Zadroga 9/11 Health and Compensation Reauthorization Act in section

3312(a)(6)(F), prior to issuing a final rule to add a health condition to the List, the Administrator must provide for an independent peer review of the scientific and technical evidence that would be the basis for issuing such final rule.

Table of Contents:

- Dates:
- Addresses:
- For Further Information Contact:
- Supplementary Information:

DATES: Nominations must be submitted (postmarked or electronically received) by February 1, 2019.

ADDRESSES: You may submit a nomination identified by NIOSH Docket 294, by any of the following methods.

- Electronic nominations, including attachments to *nioshdocket@cdc.gov*.
- *Regular, Express, or Overnight Mail:*

Written nominations may be submitted (one original and two copies) to the following address only: NIOSH Docket 294, c/o Kiana Harper, National Institute for Occupational Safety and Health, Centers for Disease Control and Prevention, Patriots Plaza 1, 95 E Street SW., Suite 9200, Washington, DC 20201. Telephone and facsimile submissions cannot be accepted.

FOR FURTHER INFORMATION CONTACT: Paul Middendorf, Ph.D., Deputy Associate Director for Science, 1600 Clifton Rd. NE., MS: E-20, Atlanta, GA 30329; telephone (404)498-2500 (this is not a toll-free number); email *pmiddendorf@cdc.gov*.

Instructions: Nominations of peer reviewers must be accompanied by:

- Name
- Occupation
- Employer
- Contact information including mailing address, email, and phone number
- Listing of scientific credentials including academic degrees and specialized training
- Area of competencies (e.g., medical, epidemiology, exposure assessment, industrial hygiene)
- Area of specialty (e.g., Cardiovascular, Integumentary,

Gastrointestinal, Endocrine, Urinary, Immune, Lymphatic, Muscular, Nervous, Reproductive, Respiratory, Skeletal) Publication list

- Other materials to support the nominee's ability to perform scientific peer review

- For third-party nominations, affirmation from the nominee that they are aware of and agree to the nomination

A *Curriculum vitae* that includes all of the above information may alternatively be submitted.

SUPPLEMENTARY INFORMATION: The James Zadroga 9/11 Health and Compensation Reauthorization Act in section 3312(a)(6)(F) requires the Administrator to provide for an independent peer review of the scientific and technical evidence that would be the basis for issuing a final rule to add a health condition to the List prior to issuing the final rule. To assist in accomplishing independent peer review in a timely manner, the Administrator has determined that he will develop a standing pool of persons with the scientific, technical, and medical background to potentially serve in this role to provide their individual input to the Administrator based on the health condition in the proposed rule under consideration. The peer reviewers will not meet as a group, provide consensus advice or recommendations to the Administrator, or produce a collective work product(s). Therefore, the Administrator is requesting nominations of persons to serve as scientific peer reviewers.

All persons who have the necessary minimum qualifications will be included in the standing pool of potential peer reviewers. These persons will be included in the standing pool of potential peer reviewers for 3 years unless they request in writing to be removed. After 3 years persons may be nominated again and will be required to update their information.

The Administrator will select peer reviewers for any proposed rule by matching the nature of the proposed

addition to the List and the nominee's background and expertise, as well as any potential conflict of interest. In selecting peer reviewers, the WTC Program Administrator will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals.

Dated: March 17, 2017.

John Howard,

Administrator, World Trade Center Health Program and Director, National Institute for Occupational Safety and Health, Centers for Disease Control and Prevention, Department of Health and Human Services.

BILLING CODE 4163-19-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[Docket No. CDC-2017-0019]

Notice of Availability of the Draft Environmental Assessment and Public Meeting

AGENCY: Centers for Disease Control and Prevention, HHS.

ACTION: Notice of availability.

SUMMARY: The Centers for Disease Control and Prevention (CDC), within the Department of Health and Human Services (HHS), announces the availability of the Draft Environmental Assessment (Draft EA) for the CDC Chamblee Campus 2025 Master Plan for public review and comment. This notice also announces the date, location and time for the public meeting. The Draft EA analyzes the potential impacts associated with the implementation of the CDC Chamblee Campus 2025 Master Plan (Master Plan) for HHS/CDC's Chamblee Campus located at 4770 Buford Highway, Chamblee, Georgia. This announcement follows the requirements of the National Environmental Policy Act of 1969 (NEPA) as implemented by the Council on Environmental Quality (CEQ) Regulations (40 CFR parts 1500-1508); and, the Department of Health and Human Services (HHS) General Administration Manual Part 30 Environmental Procedures, dated February 25, 2000.

DATES: A public meeting will be held on Wednesday, April 19, 2017 at 2400 Century Center, Century Pkwy. NE., Atlanta, Georgia 30345. The public meeting will consist of an Open House from 6:00 p.m. EST to 8:00 p.m. EST. The meeting will be an open house where attendees can learn more about

the Master Plan and Draft EA, ask questions, and submit comments.

Written comments must be received on or before May 22, 2017.

Deadline for Requests for Special Accommodations: Persons wishing to participate in the public meeting who need special accommodations should contact Angela Wagner (amso@cdc.gov or (770) 488-8170) by April 5, 2017.

ADDRESSES: Requests for information on the Draft EA or for a paper/electronic copy should be directed to: Angela Wagner, Portfolio Manager, Centers for Disease Control and Prevention, 1600 Clifton Road NE., MS-K96, Atlanta, Georgia 30329. Telephone: (770) 488-8170 or email: amso@cdc.gov.

The Draft EA will be available on the *Federal eRulemaking Portal*: <http://www.regulations.gov>, identified by Docket No. CDC-2017-0019. Hard copies of the Draft EA are also available at locations listed in the Availability of the Draft EA under **SUPPLEMENTARY INFORMATION**.

You may submit comments identified by Docket No. CDC-2017-0019, by any of the following methods:

- *Federal eRulemaking Portal*: <http://www.regulations.gov>. Follow the instructions for submitting comments.
- *Mail*: Comments submitted by mail should be sent to Angela Wagner, Portfolio Manager, Centers for Disease Control and Prevention, 1600 Clifton Road NE., MS-K96, Atlanta, Georgia 30329, Attn: Docket No. CDC-2017-0019.

Instructions: All submissions received must include the agency name and Docket Number. All relevant comments received will be posted without change to <http://www.regulations.gov>, including any personal information provided. For access to the docket, to read background documents or comments received, go to www.regulations.gov.

Written comments on the Draft EA will also be accepted during the public meeting scheduled for April 19, 2017, at 2400 Century Center, Century Pkwy. NE., Atlanta, Georgia 30345. Please be advised that the meeting is being held in a location considered a Federal government building; therefore, Federal security measures are applicable. In planning your arrival time, please take into account the need to park and clear security. Visitors must present government issued photo identification (e.g., a valid Federal identification badge, state driver's license, state non-driver's identification card, or passport). Non-United States citizens must present a valid passport, visa, Permanent Resident Card, or other type of work authorization document. All persons

entering the building must pass through a metal detector. All items brought to CDC are subject to inspection.

FOR FURTHER INFORMATION CONTACT: Angela Wagner, Portfolio Manager, Centers for Disease Control and Prevention, 1600 Clifton Road NE., MS-K96, Atlanta, Georgia 30329, Telephone: (770) 488-8170 or Email: amso@cdc.gov.

SUPPLEMENTARY INFORMATION: The Centers for Disease Control and Prevention (CDC) within the U.S. Department of Health and Human Services (HHS), has prepared a Draft Environmental Assessment (Draft EA) to assess the potential impacts associated with the implementation of the CDC Chamblee Campus 2025 Master Plan (Master Plan) for HHS/CDC's Chamblee Campus located at 4770 Buford Highway, Chamblee, Georgia. An update to the previous Master Plan was prepared to guide the future development of the Chamblee Campus for the planning horizon of 2017 to 2025, corresponding to the growing research needs in support of HHS/CDC's mission, and the specific requirements of its component organizations.

HHS/CDC analyzed two alternatives in the Draft EA: The Proposed Action and the No Build Alternative. The Proposed Action assessed in the Draft EA is the implementation of the CDC Chamblee Campus 2025 Master Plan (Master Plan). The Master Plan provides a framework for future growth on the Chamblee Campus in order to ensure that the campus can support HHS/CDC's mission and to guide strategic decisions about the allocation of Federal resources. The Master Plan identifies a number of potential improvements to be completed through the 2025 timeframe, and establishes design and planning guidelines. Improvements proposed under the Master Plan include new laboratory construction, new office building construction, parking expansion, off-campus office consolidation and additional infrastructure upgrades.

The No Build Alternative represents continued operation of the existing facilities at the Chamblee Campus without any new construction or major building additions over the planning period from 2017 to 2025. Under the No Build Alternative, two existing buildings and three trailers on the campus would be demolished. The employee population at the Chamblee Campus is projected to increase by approximately 367 new occupants under the No Build Alternative due to potential background growth of existing Campus programs.
