The established times for addressing items on the agenda may be adjusted as necessary to accommodate the timely completion of discussion relevant to the agenda items. To further accommodate discussion and completion of all items on the agenda, the meeting may be extended from, or completed prior to the date established in this notice.

The meeting is open to the public, and will be conducted in English. Fishers and other interested persons are invited to attend and participate with oral or written statements regarding agenda issues.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be subjects for formal action during this meeting. Actions will be restricted to those issues specifically identified in this notice, and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided that the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

The meeting is physically accessible to people with disabilities. For more information or request for sign language interpretation and/or other auxiliary aids, please contact Mr. Miguel A. Rolón, Executive Director, Caribbean Fishery Management Council, 270 Muñoz Rivera Avenue, Suite 401, San Juan, Puerto Rico, 00918, telephone (787) 766–5926, at least five days prior to the meeting date.

Dated: March 22, 2017.

Jeffrey N. Lonergan,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: NOAA Space-Data Collection System (DCS) Agreements.

OMB Control Number: 0648–0157.

Form Number(s): None.

Type of Request: Regular (extension of a currently approved information collection).

Number of Respondents: 225.

Average Hours per Response: 30 minutes.

Burden Hours: 113.

Needs and Uses: This request is for extension of an existing information collection.

The National Oceanic and Atmospheric Administration (NOAA) operates two space-based data collection systems (DCS), the Geostationary Operational Environmental Satellite (GOES) DCS and the Polar-Orbiting Operational Environmental Satellite (POES) DCS, also known as the Argos system. NOAA allows users access to the DCS if they meet certain criteria. The applicants must submit information to ensure that they meet these criteria. NOAA does not approve agreements where there is a commercial service available to fulfill the user's requirements.

Affected Public: Federal government; state, local or tribal government; business or other for-profit organizations; not-for-profit institutions; individuals or households.

Frequency: Annually, every three years or every five years.

Respondent's Obligation: Required to obtain or retain benefits.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395–5806.

Dated: March 22, 2017.

Sarah Brabson,

NOAA PRA Clearance Officer.

DEPARTMENT OF DEFENSE

Defense Acquisition Regulations System

[Docket Number DARS-2016-0044; OMB Control Number 0704-0231]

Submission for OMB Review; Comment Request

ACTION: Notice.

SUMMARY: The Defense Acquisition Regulations System has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by May 26, 2017.

SUPPLEMENTARY INFORMATION:

Title and OMB Number: Defense Federal Acquisition Regulation Supplement (DFARS) Part 237, Service Contracting, associated DFARS Clauses at DFARS 252.237, and DD Form 2063, Record of Preparation and Disposition of Remains (Within CONUS); OMB Control Number 0704-0231.

Type of Request: Revision of a currently approved collection.

Number of Respondents: 2,637.

Responses per Respondent: 1.3, approximately.

Annual Responses: 3,519.

Average Burden per Response: 1.6, approximately.

Annual Burden Hours: 5,801.

Needs and Uses: This information collection is used for the following purposes—

DFARS 237.270 prescribes the use of the provision at DFARS 252.237-7000, Notice of Special Standards, in solicitations for the acquisition of audit services. The provision, at paragraph (c), requires the apparently successful offeror to submit evidence that it is

properly licensed in the state or political jurisdiction it operates its professional practice.

DFARS 237.7003 prescribes the use of the clause 252.237-7011, Preparation History, and DD Form 2063, Record of Preparation and Disposition of Remains (Within CONUS). The clause and the DD Form 2063 are used to verify that the deceased's remains have been properly cared for by the mortuary contractor.

DFARS 237.7603(b) prescribes the use of the provision at 252.237-7024, Notice of Continuation of Essential Contractor Services, in solicitations that require the acquisition of services to support a mission essential function. The provision requires the offeror to submit a written plan demonstrating its capability to continue to provide the contractually required services to support a DoD component's mission essential functions in an emergency. The written plan, submitted concurrently with the proposal or offer, allows the contracting officer to assess the offeror's capability to continue providing contractually required services to support the DoD component's mission essential functions in an emergency.

DFARS 237.7603(a) prescribes the use of the clause at DFARS 252.237-7023, Continuation of Essential Contractor Services, in solicitations and contracts for services in support of mission essential functions. The clause requires the contractor to maintain and update its written plan as necessary to ensure that it can continue to provide services to support the DoD component's mission essential functions in an emergency. The contracting officer provides approval of the updates to the contractor's plan, to ensure that the contractor can continue to provide services in support of the DoD component's required mission essential functions in an emergency.

Affected Public: Businesses and other for-profit and not-for profit institutions.

Reporting Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: Ms. Jasmeet Seehra.

Written comments and recommendations on the proposed information collection should be sent to Ms. Seehra at the Office of Management and Budget, Desk Officer for DoD, Room 10236, New Executive Office Building, Washington, DC 20503.

You may also submit comments, identified by docket number and title, by the following method:
