

Based on our analysis of the comments received, we make no changes to the preliminary intent to rescind. Accordingly, we have determined to rescind this NSR.

DATES: Effective March 29, 2017.

FOR FURTHER INFORMATION CONTACT: Ryan Mullen or Elizabeth Lobaugh, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5260 or (202) 482-7425, respectively.

SUPPLEMENTARY INFORMATION:

Background

For a complete description of the events that followed the publication of the *Preliminary Intent to Rescind*,¹ see the Issues and Decision Memorandum.² The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and to all users in the Department's Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Scope of the Order

The merchandise covered by the order is calcium hypochlorite, regardless of form (e.g., powder, tablet (compressed), crystalline (granular), or in liquid solution), whether or not blended with other materials, containing at least 10% available chlorine measured by actual weight. Calcium hypochlorite is currently classifiable under the subheading 2828.10.0000 of the

Harmonized Tariff Schedule of the United States.³

Analysis of Comments Received

All issues raised in the case briefs by parties are addressed in the Issues and Decision Memorandum.⁴ A list of the issues which parties raised is attached to this notice as an Appendix.

Final Rescission of Jingmei New Shipper Review

In the *Preliminary Intent to Rescind*, we preliminarily determined to rescind this review because we requested, but were not provided, sufficient information to determine whether, and conclude that, Jingmei's sale of subject merchandise to the United States was *bona fide*. Based on the Department's complete analysis of all the information and comments on the record of this review, we make no changes to the *Preliminary Intent to Rescind*. Accordingly, we have determined to rescind this NSR. For a complete discussion, see the Issues and Decision Memorandum and the Preliminary *Bona Fides* Memo.⁵

Assessment

As the Department is rescinding this NSR, we have not calculated a company-specific subsidy rate for Jingmei.

Cash Deposit Requirements

Effective upon publication of this notice of the final rescission of the NSR of Jingmei, the Department will instruct U.S. Customs and Border Protection to discontinue the option of posting a bond or security in lieu of a cash deposit for entries of subject merchandise from Jingmei. Because we did not calculate a subsidy rate for Jingmei, Jingmei continues to be subject to the all-others rate. The all-others rate is 65.85 percent.⁶ The current cash deposit requirements shall remain in effect until further notice.

³ For a complete description of the scope of the order, see the Issues and Decision Memorandum.

⁴ See Issues and Decision Memorandum.

⁵ See Memorandum to James C. Doyle, Director, Office V, Antidumping and Countervailing Duty Operations, through Catherine Bertrand, Program Manager, Office V, Antidumping and Countervailing Duty Operations, from Elizabeth Lobaugh, International Trade Analyst, "Bona Fide Nature of the Sale in the Countervailing Duty New Shipper Review of Calcium Hypochlorite from the People's Republic of China: Haixing Jingmei Chemical Products Sales Co., Ltd." (December 27, 2016) (Preliminary *Bona Fides* Memo).

⁶ See *Calcium Hypochlorite from the People's Republic of China: Countervailing Duty Order*, 80 FR 5085 (January 30, 2015).

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

The Department is issuing and publishing these results in accordance with sections 751(a)(2)(B) and 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.214 and 19 CFR 351.221(b)(5).

Dated: March 23, 2017.

Gary Taverman,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

FOR FURTHER INFORMATION CONTACT: Julia Byrd, SEDAR Coordinator, 4055 Faber Place Drive, Suite 201, North Charleston, SC 29405; phone (843) 571-4366; email: julia.byrd@safmc.net.

SUPPLEMENTARY INFORMATION: The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions, have implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. The product of the SEDAR webinar series will be a report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses, and describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office, Highly Migratory Species Management Division, and Southeast Fisheries Science Center. Participants include: Data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and non-governmental organizations (NGOs); international experts; and staff of Councils, Commissions, and state and federal agencies.

The items of discussion in the Assessment webinars are as follows:

1. Participants will continue discussions to develop population models to evaluate stock status, estimate population benchmarks, and project future conditions, as specified in the Terms of Reference.

2. Participants will recommend the most appropriate methods and configurations for determining stock status and estimating population parameters.

3. Participants will prepare a workshop report and determine whether the assessment(s) are adequate for submission for review.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

These meetings are accessible to people with disabilities. Requests for auxiliary aids should be directed to the SAFMC office (see **ADDRESSES**) at least 10 business days prior to the meeting.

Note: The times and sequence specified in this agenda are subject to change.
