BILLING CODE 9111–24–P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

(Docket No. FR–5946–N–04)

Notice of Regulatory Waiver Requests Granted for the Fourth Quarter of Calendar Year 2016

AGENCY: Office of the General Counsel, HUD.

ACTION: Notice.

SUMMARY: Section 106 of the Department of Housing and Urban Development Reform Act of 1989 (the HUD Reform Act) requires HUD to publish quarterly Federal Register notices of all regulatory waivers that HUD has approved. Each notice covers the quarterly period since the previous Federal Register notice. The purpose of this notice is to comply with the requirements of section 106 of the HUD Reform Act. This notice contains a list of regulatory waivers granted by HUD during the period beginning on October 1, 2016, and ending on December 31, 2016.

FOR FURTHER INFORMATION CONTACT: For general information about this notice, contact Ariel Pereira, Associate General Counsel for Legislation and Regulations, Department of Housing and Urban Development, 451 7th Street SW., Room 10282, Washington, DC 20410–0500, telephone 202–708–3055 (this is not a toll-free number). Persons with hearing- or speech-impairments may access this number through TTY by calling the toll-free Federal Relay Service at 800–877–8339.

For information concerning a particular waiver that was granted and for which public notice is provided in this document, contact the person whose name and address follow the description of the waiver granted in the accompanying list of waivers that have been granted in the fourth quarter of calendar year 2016.

SUPPLEMENTARY INFORMATION: Section 106 of the HUD Reform Act added a new section 7(q) to the Department of Housing and Urban Development Act (42 U.S.C. 3535(q)), which provides that:

1. Any waiver of a regulation must be in writing and must specify the grounds for approving the waiver;
2. Authority to approve a waiver of a regulation may be delegated by the Secretary only to an individual of Assistant Secretary or equivalent rank, and the person to whom authority to waive is delegated must also have authority to issue the particular regulation to be waived;
3. Not less than quarterly, the Secretary must notify the public of all waivers of regulations that HUD has approved, by publishing a notice in the Federal Register. These notices (each covering the period since the most recent previous notification) shall:
   a. Identify the project, activity, or undertaking involved;
   b. Describe the nature of the provision waived and the designation of the provision;
   c. Indicate the name and title of the person who granted the waiver request;
   d. Describe briefly the grounds for approval of the request; and
   e. State how additional information about a particular waiver may be obtained.

Section 106 of the HUD Reform Act also contains requirements applicable to waivers of HUD handbook provisions.
that are not relevant to the purpose of this notice.

This notice follows procedures provided in HUD’s Statement of Policy on Waiver of Regulations and Directives issued on April 22, 1991 (56 FR 16337).

In accordance with those procedures and with the requirements of section 106 of the HUD Reform Act, waivers of regulations are granted by the Assistant Secretary with jurisdiction over the regulations for which a waiver was requested. In those cases in which a General Deputy Assistant Secretary granted the waiver, the General Deputy Assistant Secretary was serving in the absence of the Assistant Secretary in accordance with the office’s Order of Succession.

This notice covers waivers of regulations granted by HUD from October 1, 2016 through December 31, 2016. For ease of reference, the waivers granted by HUD are listed by HUD program office (for example, the Office of Community Planning and Development, the Office of Housing, and the Office of Public and Indian Housing, etc.). Within each program office grouping, the waivers are listed sequentially by the regulatory section of title 24 of the Code of Federal Regulations (CFR) that is being waived. For example, a waiver of a provision in 24 CFR part 58 would be listed before a waiver of a provision in 24 CFR part 570.

Where more than one regulatory provision is involved in the grant of a particular waiver request, the action is listed under the section number of the first regulatory requirement that appears in 24 CFR and that is being waived. For example, a waiver of both §58.73 and §58.74 would appear sequentially in the listing under §58.73.

Waivers of regulations that involve the same initial regulatory citation are in sequence beginning with the earliest-dated regulatory waiver.

Should HUD receive additional information about waivers granted during the period covered by this report (the fourth quarter of calendar year 2016) before the next report is published (the first quarter of calendar year 2017), HUD will include any additional waivers granted in the next report.

Accordingly, information about approved waiver requests pertaining to HUD regulations is provided in the Appendix that follows this notice.

Ariel Pereira,
Associate General Counsel for Legislation and Regulations.

II. Regulatory Waivers Granted by the Office of Housing—Federal Housing Administration (FHA)

For further information about the following regulatory waivers, please see the name of the contact person that immediately follows the description of the waiver granted.

**Reason Waived:**ecessary to effectuate the Federal Housing Administration (FHA) Risk Sharing Initiative between Housing and Urban Development and the Treasury Department/FBB announced in Fiscal Year 2014. The approval and execution of the FHA Risk Sharing Agreement will facilitate the expansion of the program to increase the supply of affordable rental housing and to assist in the preservation of existing rental housing. Under this Initiative, FHA provides capital to participating Housing Finance Agencies (HFAs) to make multifamily loans insured under the FHA Multifamily Risk Sharing Program.

**Contact:** Daniel J. Sullivan, Acting Director, Office of Multifamily Production, Office of Housing, Department of Housing and Urban Development, 451 7th Street SW., Washington, DC 20410, telephone (202) 402–6130.

**Regulation:** 24 CFR 266.200(c)(2).

**Nature of Requirement:** Equity take-outs for existing projects (refinance transactions): Permit the insured mortgage to exceed the sum of the total cost of acquisition, cost of financing, cost of repairs, and reasonable transaction costs or “equity take-outs” in refinances of HFA-financed projects and those outside of HFA’s portfolio if the result is preservation of the following conditions:

1. Occupancy is no less than 93% for previous 12 months;
2. No defaults in the last 12 months of the HFA loan to be refinanced;
3. A 20 year affordable housing deed restriction placed on title that conforms to the 542(c) statutory definition;
4. A Property Capital Needs Assessment (PCNA) must be performed and funds escrowed for all necessary repairs, and reserves funded for future capital needs; and
5. For projects subsidized by Section 8 Housing Assistance Payment (HAP) contracts:
   a. Owner agrees to renew HAP contract(s) for 20-year term, (subject to appropriations and statutory authorization, etc.), and
   b. In accordance with regulations found in 24 CFR 863.306(e), and Housing Notice 2012-14—Use of “New Regulation” Section 8 Housing Assistance Payments (HAP) Contracts Residual Receipts of Offset Project-Based Section 8 Housing Assistance Payments, if at any time NYSHFA determines that a project’s excess funds (surplus cash) after project operations, reserve requirements and permitted distributions are met. NYSHFA must place the excess funds into a separate interest-bearing account. Upon renewal of a HAP Contract the excess funds can be used to reduce future HAP payments or other obligations/purposes. When the HAP Contract expires, is terminated, or any extensions are terminated, any unused funds remaining in the Residual Receipt Account at the time of the contract’s termination must be returned to HUD.

   Granted By: Edward L. Golding, Principal Deputy Assistant Secretary for Housing.

   Date Granted: October 27, 2016.

   Reason Waived: Necessary to effectuate the Federal Financing Bank (FFB) Risk Sharing Initiative between Housing and Urban Development and the Treasury Department/FFB and Fiscal Year 2014. The approval and execution of the FFB Risk Sharing Agreement will facilitate the expansion of the program to increase the supply of affordable rental housing and to assist in the preservation of existing rental housing. Under this Initiative, FFB provides capital to participating Housing Finance Agencies (HFAs) to make multifamily loans insured under the FHA Multifamily Risk Sharing Program.

   Contact: Daniel J. Sullivan, Acting Director, Program Administration Division, Office of Housing, Department of Housing and Urban Development, 451 7th Street SW., Room 6134, Washington, DC 20410, telephone (202) 402–6130.

   **Regulation:** 24 CFR 266.410(e).
   **Project/Activity:** Rhode Island Housing and Mortgage Finance Agency (RHIMFA); approved Section 542(c) Housing Finance Agency Risk Sharing Program participant under the authority of Section 542(c), and implementing regulations under 24 CFR part 266, requested a waiver of 24 CFR Section 266.410(e), which requires mortgages to be fully amortized over the term of the mortgage. The waiver request was for Ocean Bay Apartments, a 1,440-unit public housing conversion in Arvonne, New York, which is utilizing the Rental Assistance Demonstration Program. All units are affordable in the property. The property suffered severe losses resulting from Superstorm Sandy, and has been operating with temporary heating equipment since that time. The waiver of the requirement would permit the HFA to structure the loan with a 40-year amortization with a term of 35 years.

   In addition, NYSHFA has elected to use a Level II risk level (90–10) with an insured risk share mortgage of 892 million.

   **Nature of Requirement:** Section 266.410(e) governs the amortization, which the mortgage must provide for complete amortization (i.e., regularly amortizing over the term of the mortgage).

   **Granted By:** Edward L. Golding, Principal Deputy Assistant Secretary for Housing.

   **Date Granted:** November 23, 2016 (original waiver); December 29, 2016 (amended waiver).

   **Reason Waived:** Rhode Island Housing and Mortgage Finance Corporation requested and was originally granted waiver of the requirement in order to provide flexibility for three preservation projects in the organization’s portfolio that do not meet the requirements of the 542(c) Risk Sharing Initiative Program. Therefore, under the authority of 24 CFR 5.110, HUD waived 24 CFR 266.410(e) to permit as short as 17 years to 25 years (“Balloon Loans”) for three projects in the organization’s portfolio. HUD amended the original waiver since Rhode Island Housing and Mortgage Finance Corporation requested that the provision related to transactions being in the organization’s portfolio be deleted from the waiver approval. HUD approved the amended waiver request which is subject to the same conditions of the original approval: (1) Rhode Island Housing and Mortgage Finance Corporation must elect 50 percent or more of the risk of loss on all transaction; (2) the waiver is in effect from November 1, 2016 to November 1, 2017; (3) in accordance with 24 CFR 266.200(d), the mortgage may not exceed an amount supportable by the lower of Section 8 or comparable unassisted market rents; (4) the HFA must comply with regulations stated in 24 CFR 266.210 for insured advance or insurance upon completion transactions; (5) the projects must comply with Davis-Bacon labor standards in accordance with 24 CFR 266.225; (6) all other requirements of CFR 24 266.410 remain applicable and the waiver is only applicable for substantial rehabilitation of three existing projects in the HFA’s portfolio; and (7) all affordable housing deed restriction for 20 years must be recorded.

   **Contact:** Donald Billingsley, Acting Director, Program Administration Division, Office of Multifamily Production, Office of Housing, Department of Housing and Urban Development, 451 7th Street SW., Room 6142, Washington, DC 20410–8000, telephone: (202) 402–7125.

   **Regulation:** 24 CFR 266.620(e).

   **Nature of Requirement:** The 24CFR part 266.620(e) Termination of Mortgage Insurance. As required by the Initiative, New York State Housing Finance Agency (NYSHFA) agreed to indemnify HUD for all amounts paid to FFB if “the HFA or its successors commit fraud, or make a material misrepresentation to the Commissioner with respect to information culminating in the Contract of Insurance on the mortgage, or while the Contract of Insurance is in existence.” Only Level I HFAs are eligible for FFB financing, thereby ensuring the HFA maintains financial capacity to perform under the indemnification agreement. If the HFA loses its “A” rating, HFA must post the required reserve account as outlined in CFR 266.110(b).
Nature of Requirement: Section 891.130(a) prohibits Officers or Board members of either the Sponsor or the Owners (or Borrowers, as applicable) from having an economic or financial interest in any contract with the Owner or in any firm which has a contract with the Owner. This restriction applies as long as the individual is serving on the Board and for a period of three years following resignation or final closing, whichever is later.

Date Granted: October 27, 2016.
