Abstract:

The HEC, IVD uses HEC Form 200-1A (Veteran's Income Verification Response) to collect income verification information, as applicable, from the Veteran by requesting the Veteran to verify the listed income on the form as reported to IVD by IRS/SSA, to select the appropriate option on the form

relating to the household income, attest to out of pocket medical expenses, attest to sale of primary home real estate and attest to separation from spouse for the income year under the Income Verification Division's review. The Veteran's signature is required on page 2 of HEC Form 200-1A. If the Veteran has medical/health limitations that does not enable the Veteran to physically sign the form with a wet signature, the Veteran must mark an "X" to designate a signature; two witnesses must verify the "X" as the Veteran's signature. HEC, IVD will use the completed HEC Form 200-1A to assist in verifying the Veteran's correct gross household income to ensure the Veteran is placed in the correct priority group for health care.

The HEC, IVD uses HEC Form 220-1 (Spouse's Income Verification Response) to collect income verification information, as applicable, from the Veteran's spouse by requesting the spouse to verify the listed income on the form as reported to IVD by IRS/SSA, report any additional income not reported by IRS/SSA and sign and date the form. If the spouse has medical/health limitations that does not enable the spouse to physically sign the form with a wet signature, the spouse must mark an "X" to designate a signature; two witnesses must verify the "X" as the Veteran's signature. HEC, IVD will use the completed HEC Form 220-1 to assist in verifying the Veteran's correct gross household income to ensure the Veteran is placed in the correct priority group for health care.

The HEC, IVD uses the HEC Form 340-1 (Declaration of Representative) for the Veteran and the spouse (if applicable) to appoint a representative, authorizing HEC, IVD to release information to a designated appointee for a specific income year. Such information includes confidential federal tax information, other income, and medical benefits eligibility related information. The Veteran and spouse (if applicable) must sign and date the form.

The HEC, IVD uses the HEC Income Verification—Additional Information Checklist to request from the Veteran any additional information needed to adjudicate the Income Verification case. The Veteran providing the requested information usually results in the best interest to the Veteran.
