OMB Control Number: 2120-0756.

Title: Helicopter Air Ambulance, Commercial Helicopter, and Part 91 Helicopter Operations.

Form Numbers: None.

Type of Review: Renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on December 14, 2016 (81 FR 90406). There were no comments. The final rule, "Helicopter Air Start Printed Page 58673 Ambulance, Commercial Helicopter, and part 91 Helicopter Operations", addressed helicopter air ambulance operations and all commercial helicopter operations conducted under part 135. The FAA also established new weather minimums for helicopters operating under part 91 in Class G airspace. The final rule also added § 135.613 to Title 14, Code of Federal Regulations. Section 135.613, Approach/departure IFR transitions, describes the required weather minimums to transition into and out of the IFR environment, aiding in the transition from the minimum descent altitude on an instrument approach procedure, to the point of intended landing.

Respondents: Approximately 1,791 operators.

Frequency: On occasion.

Estimated Average Burden per Response: 81 hours.

Estimated Total Annual Burden: 145,404 hours.

Issued in Washington, DC, on March 29, 2017.

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Notice of Landing Area Proposal

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew a previously approved information collection. FAA Form 7480-1, Notice of Landing Area Proposal, is used to collect information about any construction, alteration, or change to the status or use of an airport.

DATES: Written comments should be submitted by May 5, 2017.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to aira_submission@omb.eop.gov, or faxed to (202) 395-6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW., Washington, DC 20503.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2120-0036.

Title: Notice of Landing Area Proposal.

Form Numbers: 7480-1.

Type of Review: Renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on December 14, 2016 (81 FR 90407). There were no comments. FAR Part 157 requires that each person who intends to construct deactivate, or change the status of an airport, runway, or taxiway must notify the FAA of such activity. The information collected provides the basis for determining the effect the proposed action would have on existing airports and on the safe and efficient use of airspace by aircraft, the effects on existing airspace or contemplated traffic patterns of neighboring airports, the effects on the existing airspace structure and projected programs of the FAA, and the effects that existing or proposed manmade objects (on file with the FAA) and natural objects within the affected area would have on the airport proposal.

Respondents: Approximately 1500 applicants.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 45 minutes.

Estimated Total Annual Burden: 1125 hours.

Issued in Washington, DC, on March 29, 2017.

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Aircraft Registration and Renewal

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew a previously approved information collection. The information collected is used by the FAA to register and renew aircraft or hold an aircraft in trust. The information required to register and approve ownership of an aircraft is required by any person wishing to

register an aircraft. Information is also required for aircraft owners to renew their registration.

DATES: Written comments should be submitted by May 5, 2017.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to oir_submission@omb.eop.gov, or faxed to (202) 395-6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW., Washington, DC 20503.

Title: Aircraft Registration and Renewal.

Form Numbers: 8050-1, 8050-1B, 8050-2, 8050-4, 8050-88, 8050,88A, 8050-98.

Type of Review: Renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on December 14, 2016 (81 FR 90406). There were no comments. Public Law 103-272 states that all aircraft must be registered before they may be flown. It sets forth registration eligibility requirements and provides for application for registration as well as suspension and/or revocation of registration. The information collected is used by the FAA to register an aircraft or hold an aircraft in trust. The information requested is required to register and prove ownership.

The information collected on an Aircraft Registration Renewal Application (AC Form 8050-1B) is used by the FAA to verify and update the aircraft registration information

collected for an aircraft when it was first registered. The updated registration database will then be used by the FAA to monitor and control U.S. airspace and to distribute safety notices and airworthiness directives to aircraft owners.

Respondents: Approximately 165,000 registrants and owners.

Frequency: On occasion.

Estimated Average Burden per Response: 30 minutes.

Estimated Total Annual Burden: 120,000 hours.

I. Background

Under 49 U.S.C. 31136(e) and 31315, FMCSA may grant an exemption for two years if it finds "such exemption would likely achieve a level of safety that is equivalent to or greater than the level that would be achieved absent such exemption." The statute also allows the Agency to renew exemptions at the end of the two-year period.
