

and frequency for manual downgrades and (3) enabling the CRRM to generate credit ratings for Members that are more reflective of the Members' default risk. However, NSCC recognizes that any change to its member credit risk evaluation process, such as the proposed rule change, may impose a burden on competition in terms of potential impact on Members' credit ratings and their Clearing Fund deposits. Nevertheless, NSCC believes that any burden on competition derived from the proposed rule change would be necessary and appropriate in furtherance of the Act because the proposed enhancements to the CRRM would help improve NSCC's membership monitoring process and thus better enable NSCC to safeguard the securities and funds which are in its custody or control or for which it is responsible. Furthermore, the proposed enhancements to the CRRM would also assist NSCC in identifying, measuring, monitoring and managing risks that arise in or are born by NSCC. As such, NSCC does not believe the proposed enhancements to the CRRM would impose any burden on competition that is not necessary or appropriate in furtherance of the Act.

NSCC does not believe that the proposed rule changes to (1) NSCC Rule 1 (Definitions of Credit Risk Rating Matrix, Watch List and Illiquid Position), NSCC Rule 2B (Sections 2B and 4), Rule 4 and Procedure XV (Sections I(A), I(B) and II(C)) that are unrelated to the proposed CRRM enhancements would have any impact on competition because each of such proposed rule changes is designed to provide additional specificity, clarity and transparency in the Rules regarding NSCC's current ongoing membership monitoring process by expressly providing in the Rules NSCC's current practices with respect to such process. As such, these proposed rule changes would not impact Members or impose any burden on competition.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to this proposed rule change have not been solicited or received. NSCC will notify the Commission of any written comments received by NSCC.

III. Date of Effectiveness of the Proposed Rule Change, and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period

up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove such proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

The proposal shall not take effect until all regulatory actions required with respect to the proposal are completed.

Summary of the Application

1. Applicants request an order that would allow Funds to operate as actively-managed exchange traded funds (“ETFs”).¹ Fund shares will be purchased and redeemed at their NAV in Creation Units only. All orders to purchase Creation Units and all redemption requests will be placed by or through an “Authorized Participant”, which will have signed a participant agreement with the Distributor. Shares will be listed and traded individually on a national securities exchange, where share prices will be based on the current bid/offer market. Certain Funds may operate as Feeder Funds in a master-feeder structure. Any order granting the requested relief would be subject to the terms and conditions stated in the application.

2. Each Fund will consist of a portfolio of securities and other assets and investment positions (“Portfolio Instruments”). Each Fund will disclose on its Web site the identities and quantities of the Portfolio Instruments that will form the basis for the Fund’s calculation of NAV at the end of the day.

3. Shares will be purchased and redeemed in Creation Units and generally on an in-kind basis. Except where the purchase or redemption will include cash under the limited circumstances specified in the application, purchasers will be required to purchase Creation Units by depositing specified instruments (“Deposit Instruments”), and shareholders redeeming their shares will receive specified instruments (“Redemption Instruments”). The Deposit Instruments and the Redemption Instruments will each correspond pro rata to the positions in the Fund’s portfolio (including cash positions) except as specified in the application.

4. Because shares will not be individually redeemable, applicants request an exemption from section 5(a)(1) and section 2(a)(32) of the Act that would permit the Funds to register as open-end management investment companies and issue shares that are redeemable in Creation Units only.

5. Applicants also request an exemption from section 22(d) of the Act

and rule 22c–1 under the Act as secondary market trading in shares will take place at negotiated prices, not at a current offering price described in a Fund’s prospectus, and not at a price based on NAV. Applicants state that (a) secondary market trading in shares does not involve a Fund as a party and will not result in dilution of an investment in shares, and (b) to the extent different prices exist during a given trading day, or from day to day, such variances occur as a result of third-party market forces, such as supply and demand. Therefore, applicants assert that secondary market transactions in shares will not lead to discrimination or preferential treatment among purchasers. Finally, applicants represent that share market prices will be disciplined by arbitrage opportunities, which should prevent shares from trading at a material discount or premium from NAV.

6. With respect to Funds that hold non-U.S. Portfolio Instruments and that effect creations and redemptions of Creation Units in kind, applicants request relief from the requirement imposed by section 22(e) in order to allow such Funds to pay redemption proceeds within fifteen calendar days following the tender of Creation Units for redemption. Applicants assert that the requested relief would not be inconsistent with the spirit and intent of section 22(e) to prevent unreasonable, undisclosed or unforeseen delays in the actual payment of redemption proceeds.

7. Applicants request an exemption to permit Funds of Funds to acquire Fund shares beyond the limits of section 12(d)(1)(A) of the Act; and the Funds, and any principal underwriter for the Funds, and/or any broker or dealer registered under the Exchange Act, to sell shares to Funds of Funds beyond the limits of section 12(d)(1)(B) of the Act. The application’s terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over a Fund through control or voting power, or in connection with certain services, transactions, and underwritings, (ii) excessive layering of fees, and (iii) overly complex fund structures, which are the concerns underlying the limits in sections 12(d)(1)(A) and (B) of the Act.

8. Applicants request an exemption from sections 17(a)(1) and 17(a)(2) of the Act to permit a person who is an affiliated person, as defined in section 2(a)(3) of the Act (“Affiliated Person”), or an affiliated person of an Affiliated Person (“Second-Tier Affiliate”), of the Funds, solely by virtue of certain ownership interests, to effectuate purchases and redemptions in-kind. The

¹ Applicants request that the order apply to the initial Fund, as well as to future series of the Trust, and any other open-end management investment companies or series thereof (each, included in the term “Fund”), each of which will operate as an actively-managed ETF. Any Fund will (a) be advised by the Initial Adviser or an entity controlling, controlled by, or under common control with the Initial Adviser (each, an “Adviser”) and (b) comply with the terms and conditions of the application.

deposit procedures for in-kind purchases of Creation Units and the redemption procedures for in-kind redemptions of Creation Units will be the same for all purchases and redemptions and Deposit Instruments and Redemption Instruments will be valued in the same manner as those Portfolio Instruments currently held by the Funds. Applicants also seek relief from the prohibitions on affiliated transactions in section 17(a) to permit a Fund to sell its shares to and redeem its shares from a Fund of Funds, and to engage in the accompanying in-kind transactions with the Fund of Funds.² The purchase of Creation Units by a Fund of Funds directly from a Fund will be accomplished in accordance with the policies of the Fund of Funds and will be based on the NAVs of the Funds.

9. Applicants also request relief to permit a Feeder Fund to acquire shares of another registered investment company managed by the Adviser having substantially the same investment objectives as the Feeder Fund (“Master Fund”) beyond the limitations in section 12(d)(1)(A) and permit the Master Fund, and any principal underwriter for the Master Fund, to sell shares of the Master Fund to the Feeder Fund beyond the limitations in section 12(d)(1)(B).

10. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with

the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act.

For the Commission, by the Division of Investment Management, under delegated authority.

Assistant Secretary.

[Release No. 34-80382; File No. SR-DTC-2017-002]

Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing of Proposed Rule Change To Address and Update Practices and Policies With Respect to the Credit Risk Rating Matrix and Make Other Changes

April 5, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 22, 2017, The Depository Trust Company (“DTC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the clearing agency.³ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency’s Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change consists of amendments to DTC’s Rules, By-Laws and Organization Certificate (“Rules”).⁴ The proposed rule change would amend Rules 1 and 2 in order to (i) address and update DTC’s practices and policies with respect to the existing matrix (hereinafter referred to as the “Credit Risk Rating Matrix” or “CRRM”), which was, as described in an earlier DTC rule

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ On March 22, 2017, DTC filed this proposed rule change as an advance notice (SR-DTC-2017-801) with the Commission pursuant to Section 806(e)(1) of Title VIII of the Dodd-Frank Wall Street Reform and Consumer Protection Act entitled the Payment, Clearing, and Settlement Supervision Act of 2010, 12 U.S.C. 5465(e)(1), and Rule 19b-4(n)(1)(i) of the Act, 17 CFR 240.19b-4(n)(1)(i). A copy of the advance notice is available at <http://www.dtcc.com/legal/sec-rule-filings.aspx>.

filing,⁵ developed by DTC to assign a credit rating to certain Participants (“CRRM-Rated Participants”) by evaluating the risks posed by CRRM-Rated Participants to DTC and its Participants from providing services to these CRRM-Rated Participants and (ii) make other amendments to the Rules to provide more transparency and clarity regarding DTC’s current ongoing membership monitoring process.

II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the clearing agency included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

(A) Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change would amend Rules 1 and 2 in order to (i) address and update DTC’s practices and policies with respect to the CRRM and (ii) provide more transparency and clarity regarding DTC’s current membership monitoring process. In this regard, the proposed rule change would (i) add proposed definitions for the terms “Credit Risk Rating Matrix” and “Watch List” to Rule 1 (Definitions), as discussed below and (ii) amend Rule 2 (Participants and Pledges) to (A) clarify a provision in Section 1 relating to the types of information a Participant must provide to DTC upon DTC’s request for the Participant to demonstrate its satisfactory financial condition and operational capability, including its risk management practices with respect to services of DTC utilized by the Participant for another Person and (B) add a new Section 10 to include provisions relating to the monitoring, surveillance and review of Participants, including, but not limited to, the application of the CRRM and proposed

⁵ See Securities Exchange Act Release No. 53655 (April 14, 2006), 71 FR 20428 (April 20, 2006) (SR-DTC-2006-03) (order of the Commission) approving a proposed rule change (“2006 Rule Change”) of DTC to amend the criteria used by DTC to place Participants on surveillance status, including, but not limited to DTC’s application of the CRRM and the placement of lower rated CRRM-Rated Participants on an internal list in order to be monitored more closely (“Watch List”).

² The requested relief would apply to direct sales of shares in Creation Units by a Fund to a Fund of Funds and redemptions of those shares. Applicants, moreover, are not seeking relief from section 17(a) for, and the requested relief will not apply to, transactions where a Fund could be deemed an Affiliated Person, or a Second-Tier Affiliate, of a Fund of Funds because an Adviser or an entity controlling, controlled by or under common control with an Adviser provides investment advisory services to that Fund of Funds.
