Conveying the public's perceptions of IRS activities to the Commissioner, the IRPAC is comprised of individuals who bring substantial, disparate experience and diverse backgrounds to the Committee's activities.

Each IRPAC member is nominated by the Commissioner with the concurrence of the Secretary of Treasury to serve a three-year term. Working groups address policies and administrative issues specific to information reporting. Members are not paid for their services.

However, travel expenses for working sessions, public meetings and orientation sessions, such as airfare, per diem, and transportation are reimbursed within prescribed federal travel limitations.

Receipt of applications will be acknowledged, and all individuals will be notified when selections have been made. In accordance with Department of Treasury Directive 21-03, a clearance process including fingerprints, annual tax checks, a Federal Bureau of Investigation criminal check and a practitioner check with the Office of Professional Responsibility will be conducted. Equal opportunity practices will be followed for all appointments to the IRPAC in accordance with the Department of Treasury and IRS policies. The IRS has special interest in assuring that women and men, members of all races and national origins, and individuals with disabilities are welcomed for service on advisory committees and, therefore, extends particular encouragement to nominations from such appropriately qualified candidates.

TREASURY DEPARTMENT

Debt Management Advisory Committee Meeting

Notice is hereby given, pursuant to 5 U.S.C. app. 2, section 10(a)(2), that a meeting will be held at the Hay-Adams Hotel, 16th Street and Pennsylvania Avenue NW., Washington, DC, on May 2, 2017 at 9:30 a.m. of the following debt management advisory committee: Treasury Borrowing Advisory Committee of the Securities Industry and Financial Markets Association.

The agenda for the meeting provides for a charge by the Secretary of the Treasury or his designate that the Committee discuss particular issues and conduct a working session. Following the working session, the Committee will present a written report of its recommendations. The meeting will be closed to the public, pursuant to 5 U.S.C. app. 2, section 10(d) and Pub. L. 103-202, section 202(c)(1)(B) (31 U.S.C. 3121 note). This notice shall constitute my determination, pursuant to the authority placed in heads of agencies by 5 U.S.C. app. 2, section 10(d) and vested in me by Treasury Department Order No. 101-05, that the meeting will

consist of discussions and debates of the issues presented to the Committee by the Secretary of the Treasury and the making of recommendations of the Committee to the Secretary, pursuant to Pub. L. 103-202, section 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the meeting is concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A).

The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decisions on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. app. 2, section 3. Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552b(c)(9)(A). Treasury staff will provide a technical briefing to the press on the day before the Committee meeting, following the release of a statement of economic conditions and financing estimates. This briefing will give the press an opportunity to ask questions about financing projections. The day after the Committee meeting, Treasury will release the minutes of the meeting, any charts that were discussed at the meeting, and the Committee's report to the Secretary.

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552(b). The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Fred Pietrangeli, Director for Office of Debt Management (202) 622-1876.

Dated: April 7, 2017.

Fred Pietrangeli,

Director (for Office of Debt Management).
