Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance onto the NIH campus. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

Dated: April 12, 2017.

Request for Information on Input on Opportunities of Engagement of External Stakeholders With the "Illuminating the Druggable Genome" (IDG) Program

SUMMARY: NIH seeks input from the biomedical research community, biotechnology and pharmaceutical companies and other members of the public on interest and opportunities of engagement with the Illuminating the Druggable Genome (IDG) Program. The purpose of this Request for Information (RFI) is to identify and obtain comments on strategies for sharing potential data, tools, and other resources of common interest generated by the IDG Program and by external stakeholders to maximize the impact of the IDG Program.

DATES: The IDG Program Request for Information is open for public comment for a period of 30 days. Comments must be received by May 18, 2017 to ensure consideration. After the public comment period has closed, the comments received by the IDG Program will be considered in a timely manner by the National Center for Advancing
