Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

The Refugee Biographic Data Sheet describes a refugee applicant's personal characteristics and is needed to match the refugee with a sponsoring voluntary agency for initial reception and placement in the U.S. under the United States Refugee Admissions Program administered by the Bureau of Population, Refugees, and Migration, as cited in the Immigration and Nationality Act and the Refugee Act of 1980.

Methodology

Biographic information is collected in a face-to-face intake process with the applicant overseas. An employee of a Resettlement Support Center, under cooperative agreement with PRM, collects the information and enters it into the Worldwide Refugee Admissions Processing System.

Lawrence Bartlett,

Director, Office of Admissions, Bureau of Population, Refugees, and Migration, Department of State.

BILLING CODE 4710-33-P

SURFACE TRANSPORTATION BOARD

[Docket No. AB 1242]

Hartwell First United Methodist Church—Adverse Abandonment and Discontinuance—Hartwell Railroad Company and the Great Walton Railroad Company, Inc., in Hart County, GA

On April 14, 2017, Hartwell First United Methodist Church (Hartwell First or Applicant) filed an application under 49 U.S.C. 10903 requesting that the Surface Transportation Board (Board) authorize the third-party, or adverse, abandonment and discontinuance of approximately 0.25 miles of rail line and associated right-of-way (the Line) owned by The Great Walton Railroad Company (GWRC). The Line, which traverses United States Postal Service Zip Code 30643, extends from Athens Street to a stub end at South Forest Avenue in Hartwell, Hart County, Ga. It is a portion of a line of railroad, which Hartwell First refers to as the Hartwell Line, between Bowersville, Ga., and Hartwell.¹ There are no stations associated with the Line. The application is available on the Board's Web site at <http://www.stb.gov>, or a copy can be secured from Hartwell First's counsel, whose name and address appear below.

Hartwell First currently owns property on both sides of the Line that it wishes to develop. According to Hartwell First, the Line has not been used to provide local rail service since 1996, is largely overgrown, and public crossings have been removed and/or closed by the Georgia Department of Transportation. Hartwell First states that GWRC has entered into a 99-year lease for the Line and adjacent property with a local non-profit for development of a park, walking path, and farmers' market. Thus, Hartwell First asserts that the Line cannot currently be used to conduct rail service even if GWRC wanted to do so. Hartwell First states that GWRC has refused to seek abandonment or discontinuance authority voluntarily. Accordingly, Hartwell First seeks adverse abandonment and discontinuance

¹ In earlier filings, Hartwell First stated that the Line is owned by Hartwell Railroad Company (HRC) and that GWRC has trackage rights over it. (See, e.g., Hartwell First Pet. for Waiver 1, May 26, 2016.) In its application, however, Hartwell First states that, based on additional research, it does not appear that HRC has any ownership or operating rights with respect to the Line. Hartwell First also contends that no carrier (including GWRC and HRC) has Board authorization to own or operate the Hartwell Line. In this notice, references to GWRC should be read to include HRC to the extent appropriate.
