

SUPPLEMENTARY INFORMATION: GSA published FTR Amendment 2008–04 in the **Federal Register** at 73 FR 35952 on June 25, 2008, specifying that GSA would no longer publish the RIT Allowance tables in Title 41 of the Code of Federal Regulations, Part 302–17, Appendices A through D (FTR prior to January 1, 2015—www.gsa.gov/federaltravelregulation—FTR and Related Files); instead, the tables would be available on a GSA Web site. FTR Bulletin 17–03: Relocation Allowances—Relocation Income Tax (RIT) Allowance Tables is now available and provides the annual changes to the RIT allowance tables necessary for calculating the amount of a transferee's increased tax burden due to his or her official permanent change of station. GSA published FTR Amendment 2014–01 in the **Federal Register** on August 21, 2014, (79 FR 49640), which eliminated the need for the Government-unique tax tables for relocations that began on January 1, 2015 and later. However, for relocations that began earlier than January 1, 2015, this bulletin is required to compute the employee's reimbursement for additional income taxes associated with the relocation. For relocations that began on or after January 1, 2015, transferees and agencies must use the tables published by the U.S. Internal Revenue Service (IRS), state, and local tax authorities, and follow the procedures in the FTR, Part 302–17. FTR Bulletin 17–03 and all other FTR Bulletins can be found at www.gsa.gov/ftrbulletin.
