Number of Respondents: 200.

Responses per Respondent: 1.

Annual Responses: 200.

Average Burden per Response: 4 hours.

Annual Burden Hours: 800.

Needs and Uses: This information collection is part of a joint effort between the Naval Sea Systems Command (NAVSEA) and the U.S. Maritime Administration (MARAD), to maintain a working data set on active U.S. Shipyards. The information collected is required by the Merchant Marine Act of 1936 as amended and is critical in providing both organizations with a comprehensive list of U.S. commercial shipyards and their capabilities and capacities. These shipyards play a crucial role in national

defense, the economy and the U.S. transportation infrastructure and as such, are of considerable interest to the U.S. Government. The data collected is used to assess the capabilities and capacities of U.S. commercial shipyards in the areas of ship repair and ship construction. The data is also used to monitor employment numbers for labor forecasting for future build projects as well as providing information on the ability to raise labor to meet national industrial mobilization requirements during times of national emergency. The data collected is the main source of information on these shipyards and is used to these ends.

Affected Public: Business or other for-profit.

Frequency: Annual.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Ms. Jasmeet Seehra.
