FOR FURTHER INFORMATION CONTACT: COL Bryan S. Green Designated Federal Officer (DFO), U.S. Army Engineer Research and Development Center, Waterways Experiment Station, 3909 Halls Ferry Road, Vicksburg, MS 39180-6199, phone 601-634-2513, or Bryan.S.Green@usace.army.mil.

SUPPLEMENTARY INFORMATION: The meeting is being held under the provisions of the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b, as amended), and 41 CFR 102-3.150. The Board on Coastal Engineering Research provides broad policy guidance and reviews plans for the conduct of research and the development of research projects in consonance with the needs of the coastal engineering field and the objectives of the U.S. Army Chief of Engineers.

Purpose of the Meeting: The theme of the meeting is "Coastal Structures in a

Sea of Change." The purpose of the meeting is to identify priority research to address opportunities and challenges of designing, constructing and maintaining coastal infrastructure.

Agenda: On Tuesday morning, June 27, 2017, panel presentations will deal with Changing Conditions and Coastal Structures across the Pacific Ocean. Presentations will include: Coastal infrastructure across the Pacific; Alaska Coastal Erosion Program; Pacific Ocean Hazards; Tinian Harbor General Investigations Study; Practical Resilience Metrics for Coastal Infrastructure Features; and Waikiki Beach, HI Shore Protection Project. There will be an optional field trip Tuesday afternoon, which is open to the public. It includes a bus tour to Iroquois Point, Hawaii and a Pearl Harbor Tour by the National Park Service.

On Wednesday morning, June 28, 2017, the Board will reconvene to discuss Coastal Structures State of Practice. Presentations will include: Coastal Structures Design, Construction and Maintenance State of Practice; When to Repair a Coastal Structures; Projecting Rapid Response Across the Pacific; Floating Double Deck Pier; Enabling Ship to Shore Movement; Port Improvement via Exigent Repair (PIER) Joint Capability Technology Demonstration Results; and Vulnerability and Adaptation of Coastal Infrastructure. Wednesday afternoon session continues with the Hazards, Technology and Tools panel. Presentations include: Surge & Wave Modeling System (SWMS); Hawaii's National Shoreline Management Study (NSMS); Pacific Islands Ocean Observing System (PacIOOS); Predicting Channel Dredging Requirements; and Coastal Structures Research Priorities.

The Board will meet in Executive Session to discuss ongoing initiatives and future actions on Thursday morning, June 29, 2017.

Meeting Accessibility: Pursuant to 5 U.S.C. 552b, as amended, and 41 CFR 102-3.140 through 102-3.165, and subject to the availability of space, the meeting is open to the public. Because seating capacity is limited, advance registration is required. For registration requirements please see below.

Oral participation by the public is scheduled for 4:00 p.m. on Wednesday, June 28, 2017. The Hilton Hawaiian Village Hotel is fully handicap accessible. For additional information about public access procedures, please contact COL Bryan S. Green, the Board's DFO, at the email address or telephone number listed in the **FOR FURTHER INFORMATION CONTACT** section.

Registration: It is encouraged for individuals who wish to attend the meeting of the Board to register with the DFO by email, the preferred method of contact, no later than June 5, 2017, using the electronic mail contact information found in the **FOR FURTHER INFORMATION CONTACT** section. The communication should include the registrant's full name, title, affiliation or employer, email address, and daytime phone number. If applicable, include written comments or statements with the registration email.

Written Comments and Statements: Pursuant to 41 CFR 102-3.015(j) and 102-3.140 and section 10(a)(3) of the FACA, the public or interested organizations may submit written comments or statements to the Board, in response to the stated agenda of the open meeting or in regard to the Board's mission in general. Written comments or statements should be submitted to COL Bryan S. Green, DFO, via electronic mail, the preferred mode of submission, at the address listed in the **FOR FURTHER INFORMATION CONTACT** section. Each page of the comment or statement must include the author's name, title or affiliation, address, and daytime phone number. The DFO will review all submitted written comments or statements and provide them to members of the Board for their consideration. Written comments or statements being submitted in response to the agenda set forth in this notice must be received by the DFO at least five business days prior to the meeting to be considered by the Board. The DFO will review all timely submitted written comments or statements with the Board Chairperson and ensure the comments are provided to all members of the Board before the meeting. Written comments or statements received after this date may not be provided to the Board until its next meeting.

Verbal Comments: Pursuant to 41 CFR 102-3.140d, the Board is not obligated to allow a member of the public to speak or otherwise address the Board during the meeting. Members of the public will be permitted to make verbal comments during the Board meeting only at the time and in the manner described below. If a member of the public is interested in making a verbal comment at the open meeting, that individual must submit a request, with a brief statement of the subject matter to be addressed by the comment, at least five business days in advance to the Board's DFO, via electronic mail, the preferred mode of submission, at the address listed in the **FOR FURTHER INFORMATION CONTACT** section. The DFO will log each request, in the order received, and in

consultation with the Board Chair, determine whether the subject matter of each comment is relevant to the Board's mission and/or the topics to be addressed in this public meeting. A 30-minute period near the end of the meeting will be available for verbal public comments. Members of the public who have requested to make a verbal comment, and whose comments have been deemed relevant under the process described above, will be allotted no more than five minutes during this period, and will be invited to speak in the order in which their requests were received by the DFO.

Brenda S. Bowen,

Army Federal Register Liaison Officer.

Type of Request: Reinstatement.

Number of Respondents: 200.

Responses per Respondent: 1.

Annual Responses: 200.

Average Burden per Response: 4 hours.

Annual Burden Hours: 800.

Needs and Uses: This information collection is part of a joint effort between the Naval Sea Systems Command (NAVSEA) and the U.S. Maritime Administration (MARAD), to maintain a working data set on active U.S. Shipyards. The information collected is required by the Merchant Marine Act of 1936 as amended and is critical in providing both organizations with a comprehensive list of U.S. commercial shipyards and their capabilities and capacities. These shipyards play a crucial role in national

defense, the economy and the U.S. transportation infrastructure and as such, are of considerable interest to the U.S. Government. The data collected is used to assess the capabilities and capacities of U.S. commercial shipyards in the areas of ship repair and ship construction. The data is also used to monitor employment numbers for labor forecasting for future build projects as well as providing information on the ability to raise labor to meet national industrial mobilization requirements during times of national emergency. The data collected is the main source of information on these shipyards and is used to these ends.
