National Institutes of Health

National Institute of Allergy and Infectious Diseases; Notice of Closed Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Microbiology, Infectious Diseases and AIDS Initial Review Group; Microbiology and Infectious Diseases B Subcommittee MID-B June 2017.

Date: June 14-15, 2017.

Time: 8:00 a.m. to 6:00 p.m.

Agenda: To review and evaluate grant applications.

Place: Bahia Resort Hotel, 998 West Mission Bay Drive, San Diego, CA 92109.

Contact Person: Ellen S. Buczko, Ph.D., Scientific Review Officer, Scientific Review Program, Division of Extramural Activities, National Institutes of Health/NIAID, 6700B Rockledge Drive, MSC 7616, Bethesda, MD 20892-7616, 301-451-2676, ebuczko1@niaid.nih.gov.

(Catalogue of Federal Domestic Assistance Program Nos. 93.855, Allergy, Immunology, and Transplantation Research; 93.856, Microbiology and Infectious Diseases Research, National Institutes of Health, HHS)

Dated: May 10, 2017.

Natasha M. Copeland,

Program Analyst, Office of Federal Advisory Committee Policy.

Request for Comments on National Institute of Dental and Craniofacial Research's 2030 Strategic Visioning Initiative

SUMMARY: The National Institute of Dental and Craniofacial Research (NIDCR) is pleased to launch NIDCR 2030, a strategic visioning initiative designed to advance dental, oral, and craniofacial research over the next 15 years.

The purpose of this Request for Comments (RFC) is to seek input on how best to ensure that dental, oral, and craniofacial health and disease are

understood in the context of the whole body, and that research transforms how we promote health, treat disease, and overcome health disparities.

Visit the NIDCR 2030 Web site to submit your research ideas and vote and comment on the ideas of others: <https://nidcr2030.ideascale.com/>. We'll use your ideas and comments to plan future workshops and identify themes for potential funding opportunities.

DATES: The Idea submission period ends May 19, 2017. All votes must be entered by June 2, 2017.

ADDRESSES: Ideas, comments, and votes can be submitted to <https://nidcr2030.ideascale.com/>.

FOR FURTHER INFORMATION CONTACT:

Questions about this request for comments should be directed to Dr. Morgan O'Hayre, National Institute of Dental and Craniofacial Research, National Institutes of Health, Building 31, Room 2C39, Bethesda, MD 20892, ohayrem@mail.nih.gov, 301–594–4862. You may also contact the NIDCR 2030 Team, at nidcr2030@nidcr.nih.gov.

SUPPLEMENTARY INFORMATION:

Background

The National Institute of Dental and Craniofacial Research is the nation's leading supporter of dental, oral, and craniofacial research. In 2030, we imagine a world where dental, oral, and craniofacial health and disease are understood in the context of the whole body, and research transforms how we promote health, treat disease, and overcome health disparities, so all people have the opportunity to lead healthy lives. To achieve what we've imagined, we need you. Please join us in a discussion about what it will take to reach our visionary goals in five key areas:

- Integrating oral health and overall health
- Developing precision prevention, treatment, and public health interventions
- Taking advantage of the body's ability to heal itself through autotherapies
- Using the mouth as a diagnostic and treatment portal
- Encouraging workforce diversity

Review Process

Idea submissions and comments will be reviewed by subject matter experts, including intramural and extramural NIDCR staff, based on five criteria:

- Innovation
- Impact on science, health, and health disparities
- Alignment with NIDCR mission
- Feasibility
- Number of votes
