SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Reporting for HUD Research, Evaluation, and Demonstration Cooperative Agreements.

OMB Approval Number: 2528–0299.

Description of the need for the information and proposed use: PD&R intends to establish cooperative agreements with qualified for-profit and nonprofit research organizations and universities to conduct research, demonstrations, and data analysis. PD&R will issue a Notice of Funding Availability (NOFA) describing the cooperative research program. Management of PD&R cooperative agreements for research and demonstrations will require periodic reporting of progress. This information collection will be limited to recipients of cooperative agreements.

Type of Request: (i.e., new, revision or extension of currently approved collection): Renewal.

Agency Form Numbers: No agency forms will be used. The quarterly reporting will be accomplished through a short narrative report.

Estimated Number of Respondents: HUD anticipates that approximately 8–10 organizations will be selected for cooperative agreement award. Recipients of the cooperative agreements will be the sole members of the affected public for the reporting requirement.

Respondents: HUD, for-profit and nonprofit organizations that apply to participate under the cooperative research agreements NOFA.

Estimated Total Annual Burden Hours: 360.

Estimated Total Annual Cost: The only cost to the respondents is that of their time.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency’s estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. HUD encourages interested parties to submit comment in response to these questions.

Matthew E. Ammon,
General Deputy Assistant Secretary for Policy Development and Research.
