

enhancement of survival permit will authorize the Applicant to take SONCC coho salmon incidental to the implementation of the covered activities specified in the Agreement, incidental to other lawful uses of the enrolled property, and to return to present baseline and elevated baseline conditions, if desired, at the end of the Agreement. In addition to meeting other criteria, actions to be performed under the enhancement of survival permit must not jeopardize the existence of federally listed species.

This notice is provided pursuant to section 10(c) of the ESA. NMFS will evaluate the application, associated documents, and comments submitted to determine whether the application meets the requirements of section 10(a) of the ESA and 50 CFR part 17 of federal regulations. The final permit decision will not be made until after the end of the 30-day comment period. NMFS will publish a notice announcing its final action in the **Federal Register**.

Dated: May 11, 2017.
