On August 7, 2008, the FCC released a *Third Report and Order* in PS Docket No. 07-287, FCC 08-184 (*CMAS Third R&O*), the *CMAS Third R&O* implements provisions of the Warning, Alert and Response Network (“WARN”) Act, including inter alia, a requirement that within 30 days of release of the *CMAS Third R&O*, each Commercial Mobile Service (CMS) provider must file an election with the Commission indicating whether or not it intends to transmit emergency alerts as part of the

Commercial Mobile Alert System (CMAS). The *CMAS Third R&O* noted that this filing requirement was subject to OMB review and approval. The Commission received “pre-approval” from the OMB on February 4, 2008. The Commission began accepting CMAS election filings on or before September 8, 2008.

All CMS providers are required to submit a CMAS election, including those that were not licensed at the time of the initial filing deadline with the FCC. In addition, any CMS provider choosing to withdraw its election must notify the Commission at least sixty (60) days prior to the withdrawal of its election. The information collected will be the CMS provider’s contact information and its election, *i.e.*, a “yes” or “no”, on whether it intends to provide commercial mobile service alerts.

The Commission will use the information collected to meet its statutory requirement under the WARN Act to accept licensees’ election filings and to establish an effective CMAS that will provide the public with effective mobile alerts in a manner that imposes

minimal regulatory burdens on affected entities.
