SUPPLEMENTARY INFORMATION:

Agenda

The Groundfish Committee plans to discuss Amendment 23/Groundfish Monitoring, receive reports from the Groundfish Plan Development Team (PDT) and Groundfish Advisory Panel (GAP). They will discuss public scoping comments and make recommendations to the Council on the scope, purpose and need, and range of alternatives for Amendment 23. They also plan to review the 2017 Council Priorities with a discussion of Atlantic halibut management, receive reports from the PDT and GAP and make recommendations to the Council. They will also discuss a possible reclassification of windowpane flounder stocks with a report from the PDT and GAP and make recommendations to the Council. The committee will also review Recreational management measures process with reports from the PDT and Recreational Advisory Panel (RAP) and make recommendations to the Council. The committee will also review a draft Council letter (inclusive of Council staff and RAP input) regarding feedback on the Marine Recreational Information Program (MRIP) Strategic Plan. The committee will consider comments on the Interim Final Rule for 2017 and 2018 Sector Operations Plans, including whether additional measures or restrictions should be recommended for Sector IX as a result of misreporting by sector vessels. Other business will be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
