DEPARTMENT OF ENERGY
Federal Energy Regulatory Commission

[Project No. 2211–009]

Duke Energy Indiana, LLC; Notice of Application Accepted for Filing and Soliciting Comments, Motions To intervene, and Protests

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection.

a. **Type of Application:** Non-capacity amendment of license.

b. **Project No.:** 2211–009.

c. **Date Filed:** April 28, 2017.

d. **Applicant:** Duke Energy Indiana, LLC.

e. **Name of Project:** Markland Hydroelectric Project.

f. **Location:** The project is located at the U.S. Army Corps of Engineers’ Markland Locks and Dam on the Ohio River in Switzerland County, Indiana.

g. **Filed Pursuant to:** Federal Power Act, 16 U.S.C. 791 (a)–825(r).

h. **Applicant Contact:** Mr. Jeffrey G. Lineberger, Director, Water Stragety and River in Switzerland County, Indiana.

i. **FERC Contact:** Mr. Jeffrey G. Lineberger, Director, Water Strategy & River in Switzerland County, Indiana.

j. **Deadline for filing comments, motions to intervene, and protests is 30 days from the issuance of this notice by the Commission. The Commission strongly encourages electronic filing. Please file comments, motions to intervene, and protests using the Commission’s eFiling system at [http://www.ferc.gov/docs-filing/eFiling.asp](http://www.ferc.gov/docs-filing/eFiling.asp). Commenters can submit brief comments up to 6,000 characters, without prior registration, using the eComment system at [http://www.ferc.gov/docs-filing/eComment.asp](http://www.ferc.gov/docs-filing/eComment.asp). You must include your name and contact information at the end of your comments. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov.**

k. **Description of Request:** The applicant requests that its license be amended to allow for the replacement of much of the mechanical and electrical equipment at the project. The applicant proposes to replace each of the three turbine runners, wicket gates, main power transformer, and high voltage electrical system. The applicant also proposes to refurbish the generators and related control equipment, and install new intake and draft tube gates. The proposal would cause the authorized installed capacity of the project to drop from 64.8 to 63 megawatts, and would reduce the total maximum hydraulic capacity from 39,000 to 38,100 cubic feet per second. However, due to the efficiency of the new equipment, the estimated annual generation would increase by approximately 34.2 gigawatt-hours.

l. **Locations of the Applications:** A copy of the application is available for inspection and reproduction at the Commission’s Public Reference Room, located at 888 First Street, NE., Room 2A, Washington, DC 20426, or by calling (202) 502–8371. The filing may also be viewed on the Commission’s Web site at [http://www.ferc.gov/docs-filing/eFiling.as](http://www.ferc.gov/docs-filing/eFiling.as). Enter the docket number excluding the last three digits in the docket number field to access the document. You may also register online at [http://www.ferc.gov/docs-filing/eSubscription.asp](http://www.ferc.gov/docs-filing/eSubscription.asp) to be notified via email of new filings and issuances related to this or other pending projects. For assistance, call 1–866–208–3676 or email FERCOnlineSupport@ferc.gov, for TTY, call (202) 502–8659.

m. **Individuals desiring to be included on the Commission’s mailing list should include the name, address, and telephone number of the person requesting service.** A copy of all comments, motions to intervene, or protests should be received on or before the specified date. Any comments, motions to intervene, or protests must be served on the Commission’s mailing list and affiliated parties. The Commission will consider all comments, motions to intervene, or protests received before the specified date, or from persons who are parties to the proceeding. Any comments, motions to intervene, or protests must be served on the name, address, and telephone number of the person requesting service. Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. If an intervenor files comments or documents with the Commission relating to the merits of an application, the intervenor must file a motion to intervene in accordance with the requirements of 18 CFR 385.210, .211, .214.

n. **Comments, Motions to Intervene, or Protests:** Anyone may submit comments, a motion to intervene, or a protest in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all comments, protests, or other documents filed, but only those who file a motion to intervene in accordance with the Commission’s Rules may become a party to the proceeding. Any comments, motions to intervene, or protests must be received on or before the specified comment date for the particular application.

o. **Filing and Service of Responsive Documents:** Any filing must (1) bear in all capital letters the title COMMENTS, MOTION TO INTERVENE, or PROTEST as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.201 through 385.205. All comments, motions to intervene, or protests should set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). All comments, motions to intervene, or protests should be received on or before the specified date. Any comments, motions to intervene, or protests must be served on the Commission’s mailing list and affiliated parties. The Commission will consider all comments, motions to intervene, or protests received before the specified date, or from persons who are parties to the proceeding. Any comments, motions to intervene, or protests must be served on the name, address, and telephone number of the person requesting service. Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. If an intervenor files comments or documents with the Commission relating to the merits of an application, the intervenor must file a motion to intervene in accordance with the requirements of 18 CFR 385.210. Any comments, motions to intervene, or protests must be served on the Commission’s mailing list and affiliated parties. The Commission will consider all comments, motions to intervene, or protests received before the specified date, or from persons who are parties to the proceeding. Any comments, motions to intervene, or protests must be served on the name, address, and telephone number of the person requesting service. Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. If an intervenor files comments or documents with the Commission relating to the merits of an application, the intervenor must file a motion to intervene in accordance with the requirements of 18 CFR 385.210.

Dated: May 19, 2017.

Kimberly D. Bose,
Secretary.
