SUPPLEMENTARY INFORMATION:**I. Abstract**

Public Law 114–95, the Every Student Succeeds Act (ESSA) of December 10, 2015, requires all schools including BIE-funded boarding/residential schools to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging academic achievement standards and assessments. The ESSA, and implementing regulations at 25 CFR 36, requires the BIE to implement national standards for home-living situations in all BIE-funded residential

schools. The BIE must collect information from all BIE-funded residential schools in order to assess each school's progress in meeting the national standards. The BIE is seeking renewal of the approval for this information collection to ensure that minimum academic standards for the education of Indian children and criteria for dormitory situations in BIE-operated schools and Tribally-controlled contact and grant schools are met.

II. Request for Comments

The BIE requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.
