Notice of Proposed New Fee Site

AGENCY: Bridger-Teton National Forest, Forest Service, USDA.

ACTION: Notice of proposed new fee site.

SUMMARY: The Bridger-Teton National Forest is proposing to charge fees at two new rental cabins: Sherman Guard Station and Green River Lakes. The Green River Lakes Rental Cabin would be open year round with proposed fees of \$100 during summer and \$75 during winter. The Sherman Guard Station site has two cabins. The Forest is proposing an \$80 fee during summer for both cabins and a \$35 fee for one cabin or \$60 fee for both the cabins during the winter. Reduced fees in winter would account for no running water being available at either site. Fees are assessed based on the level of amenities and services provided, cost of operations and maintenance, and market assessment. The fee is proposed and will be determined upon further analysis and public comment. Funds from fees would be used for the continued operation and maintenance and improvements of these rental cabins.

An analysis of the nearby private rental cabins with similar amenities shows that the proposed fees are reasonable and typical of similar sites in the area.

DATES: Comments will be accepted through September 30, 2017. New fees would begin June 2018.

ADDRESSES: Shannon Connolly, Forest Recreation Program Manager, 340 N Cache, P.O. Box 1888, Jackson,

Wyoming 83001, or email them to shannonconnolly@fs.fed.us with "BT Recreation Fee Proposal" as the subject line. Comments will be until taken until September, 2017.

FOR FURTHER INFORMATION CONTACT:

Shannon Connolly, Forest Recreation Program Manager, 307-739-5516. Information about proposed fee changes can also be found on the Bridger-Teton National Forest Web site: <http://www.fs.usda.gov/btnf>.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established. Once public involvement is complete, these new fees will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation. People wanting reserve these cabins would need to do so through the National Recreation Reservation Service, at www.recreation.gov or by calling 1-877-444-6777 when it becomes available.

Notice of New Fee Site

AGENCY: Forest Service, USDA.

ACTION: Notice of new fee site.

SUMMARY: The Monongahela National Forest is proposing to charge a \$75 fee for the overnight rental of Hopkins Mountain Fireman's Cabin. This cabin has not been available for recreation use prior to this date. Rental of another cabin on the Monongahela National Forest has shown that people appreciate and enjoy the availability of historic rental cabins. Funds from the rental will be used for the continued operation and maintenance of Hopkins Mountain Fireman's Cabin. This fee is only proposed and a final determination will be made upon further analysis and public comment.

DATES: Comments on the proposal will be accepted through July 31, 2017. Fees for the Hopkins Mountain Fireman's Cabin will go into effect spring of 2018 pending a recommendation from the Eastern Region Recreation Resource Advisory Committee.

ADDRESSES: Forest Supervisor, Monongahela National Forest, 200 Sycamore Street, Elkins, WV 26241.

FOR FURTHER INFORMATION CONTACT: Matthew Edwards, South Zone Recreation Manager, 304-799-4334. Information about the proposed fee can also be found on the Monongahela National Forest Web site at: <https://www.fs.usda.gov/mnf>.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established. Prior to these fees going into effect, the Monongahela National Forest will present this proposal to the Eastern Region Recreation Resource Advisory Committee. The Federal Lands Recreation Enhancement Act requires a recommendation from the Eastern Region Recreation Resource Advisory Committee prior to a decision and implementation.

This cabin sleeps four and includes one set of bunk beds, a fold-out bed, tables, chairs, electric lights, and heat. A campsite, for up to eight people, with a picnic table and campfire ring, is also included with the cabin rental.

The Monongahela National Forest currently has one other cabin, often fully booked throughout the rental season, available for rent. A business analysis of Hopkins Mountain Fireman's Cabin has shown that people desire having this sort of recreation experience on the Monongahela National Forest. A market analysis indicates that the \$75 per night fee is both reasonable and acceptable for this sort of unique recreation experience.

People wanting to rent Hopkins Mountain Fireman's Cabin will need to do so through the National Recreation Reservation Service, at www.recreation.gov or by calling 1-877-444-6777. The National Recreation Reservation Service charges a \$9 fee for online reservations and a \$10 fee for telephone reservations.
