Title: Case and Procedural Case Action Review Schedule.

Form Number: FNS 245.

OMB Number: 0584-0034.

Expiration Date: October 31, 2017.

Type of Request: Revision of a currently approved collection.

Abstract: State agencies must complete and maintain the FNS-245 for each negative case in their SNAP Quality Control (QC) sample. The FNS-245, Negative Case Action Review Schedule, is designed to collect QC data and serve as the data entry form for negative case action QC reviews in the Supplemental Nutrition Assistance Program (SNAP). The legal authority for SNAP QC can be found in Section 16(c)

of the Food and Nutrition Act of 2008, as amended; the regulatory requirement for the QC reporting requirements is provided by 7 CFR 275.14(d) and 7 CFR 275.2; and the legislative requirement for the recordkeeping requirements is Section 11(a) of the Act. In addition, SNAP regulations, in Section 272.1(f), specify that program records are to be retained for a period of three years from the date of fiscal or administrative closure.

The reporting and recordkeeping burden associated with the completion of the FNS-245 has decreased from approximately 118,569 hours to 115,514.87 hours. The 3,054.13 hour decrease in the total burden is largely a result of the decrease in total SNAP negative case selections from 38,911 cases in FY 2010 to 38,970 cases in FY 2015.

The reporting requirements contained in this Notice have been approved by the Office of Management and Budget under Control Number 0575-0115.

A. Program Description

The HPG program is a grant program, authorized under 42 U.S.C. 1490m and implemented at 7 CFR part 1944, subpart N, which provides qualified public agencies, private non-profit organizations including, but not limited to, Faith-Based and neighborhood partnerships, and other eligible entities, grant funds to assist low- and very low-income homeowners in repairing and rehabilitating their homes in rural areas. In addition, the HPG program assists rental property owners and cooperative housing complexes in rural areas in repairing and rehabilitating their units if they agree to make such units available to low- and very low-income persons.

B. Federal Award Information

The funding instrument for the HPG program will be a grant agreement. The term of the grant can vary from 1 to 2 years, depending on available funds and demand. No maximum or minimum grant levels have been established at the National level. In accordance with 7 CFR 1944.652, coordination and leveraging of funding for repair and rehabilitation activities with housing and community development organizations or activities operating in the same geographic area are expected, but not required. You should contact the Rural Development State Office to determine the allocation. HPG applicants who were previously selected for HPG funds are eligible to submit new applications to apply for Fiscal Year (FY) 2017 HPG program funds. New HPG applications must be submitted for the renewal or supplementation of existing HPG repair and/or rehabilitation projects that will be completed with FY 2017 HPG funds.

For FY 2017, the amount of funding available for the HPG program can be found at the following link: <http://www.rd.usda.gov/programs-services/housing-preservation-grants>. Enactment of additional continuing resolutions or an appropriations act may affect the availability or level of funding for this program. Priorities such as Rural Economic Area Partnership Zones and other funds will be distributed under a formula allocation to states pursuant to 7 CFR part 1940, subpart L, "Methodology and Formulas for Allocation of Loan and Grant Program Funds." Decisions on funding will be based on pre-application scores. Anyone interested in submitting an application for funding under this program is encouraged to consult the Rural Development website periodically for updated information regarding the status of funding authorized for this program.

The commitment of program dollars will be made to selected applicants that have fulfilled the necessary requirements for obligation.

C. Eligibility Information

1. *Eligible Applicants.* Eligible entities for these competitively awarded grants include State and local Governments, non-profit corporations, which may include, but not be limited to Faith-Based and community organizations, federally recognized Indian Tribes, and consortia of eligible entities. HPG applicants who were previously selected for HPG funds are eligible to submit new applications to apply for FY 2017 HPG program funds. More eligibility requirements can be found at 7 CFR 1944.658, 1944.661, and 1944.662.

2. *Cost Sharing or Matching.* Pursuant to 7 CFR 1944.652, grantees are expected to coordinate and leverage funding for repair and rehabilitation activities, as well as replacement housing, with housing and community development organizations or activities operating in the same geographic area. While HPG funds may be leveraged with other resources, cost sharing or matching is not a requirement for the HPG applicant as the HPG applicant would not be denied an award of HPG funds if all other project selection criteria have been met.

3. *Other.* Awards made under this Notice are subject to the provisions contained in the Consolidated and Further Appropriations Act, 2016 (Pub.L. 114-113, Dec. 18, 2015), as continued by the Further Continuing and Security Assistance Appropriations Act, 2017 (Pub.L. 114-254, Dec. 12, 2016) sections 745 and 746 regarding
