A. Overview of Information Collection

Title of Information Collection: Small Area Fair Market Rent Demonstration Evaluation.

OMB Approval Number: Pending.

Type of Request: 2528—New.

Form Number: No forms.

Description of the need for the information and proposed use: HUD generally publishes a single FMR for each metropolitan area and provides public housing agencies with discretion to vary local voucher payment standards between 90 and 110 percent of the Fair Market Rent (FMR) (unless HUD approves an exception). The SAFMR demonstration is testing the alternative approach of setting FMRs at the ZIP Code level. The core hypothesis is that this will significantly expand the ability of Housing Choice Vouchers (HCV) holders to access housing in neighborhoods with high-quality

schools, low crime rates, and other indicators of opportunity, as well as integrated neighborhoods in furtherance of HUD's goal of affirmatively furthering fair housing.

HUD is evaluating the SAFMR demonstration and an important consideration in this evaluation is how voucher holders and landlords perceive the shift from traditional area-wide FMRs to SAFMRs. HUD will look into whether both existing and new voucher holders understood how the change to using SAFMRs affected their housing options and whether it led movers to search in new neighborhoods or affected the rate of moving of existing voucher holders. Similarly, HUD wants to know whether landlords were aware of the change in the HCV program and whether this affected their willingness to rent to voucher holders and the level at which they set rents. In order to address these perceptions, 70 tenants and 35 landlords will be interviewed in the areas served by the five PHAs that are in the SAFMR demonstration: Housing Authority of Cook County (IL); Housing Authority of the City of Long Beach (CA); Chattanooga (TN) Housing Authority; Town of Mamaroneck (NY) Housing Authority; Housing Authority of the City of Laredo (TX); and two PHAs from the Dallas metropolitan area—Dallas Housing Authority (TX), and the Plano Housing Authority (TX). To build rapport during recruitment, by acknowledging the value of their time, an incentive payment of \$20 for tenants and \$40 for landlords will be made.
