Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Consumer Price Index Commodities and Services Survey. The Consumer Price Index (CPI) is a measure of the average change over time in the prices paid by consumers for a market basket of consumer goods and services. Each month, BLS data collectors (economic assistants) visit or call thousands of retail stores, service establishments, rental units, and doctors' offices, all over the United States to obtain information on the prices of the thousands of items used to track and measure price changes in the CPI. The collection of price data from retail establishments is essential for the timely and accurate calculation of the commodities and services component of the CPI. The CPI is then widely used as a measure of inflation, indicator of the effectiveness of government economic policy, deflator for other economic series, and as a means of adjusting dollar values. This information collection has been classified as a revision, because the BLS will introduce a new geographic area sample for the CPI in January 2018. The new sample consists of 75 urban areas, while the current sample consists of 87 urban areas. The BLS Authorizing Statute authorizes this information collection. See 29 U.S.C. 1, 2.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is

generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1220-0039. The current approval is scheduled to expire on July 31, 2017; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on March 3, 2017 (82 FR 12471).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1220-0039. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: DOL-BLS.

Title of Collection: Consumer Price Index Commodities and Services Survey.

OMB Control Number: 1220-0039.

Affected Public: State, Local, and Tribal Governments; and Private Sector—businesses or other for-profits and not-for-profit institutions.

Total Estimated Number of Respondents: 47,095.

Total Estimated Number of Responses: 323,511.

Total Estimated Annual Time Burden: 114,492 hours.

Total Estimated Annual Other Costs Burden: \$0.

Dated: May 26, 2017.

Michel Smyth,

Departmental Clearance Officer.

BILLING CODE 4510-24-P

DEPARTMENT OF LABOR

Occupational Safety and Health Administration

[Docket No. OSHA-2017-0008]

California State Plan; New Operational Status Agreement

AGENCY: Occupational Safety and Health Administration, Department of Labor.

ACTION: Notice.

SUMMARY: This document announces a new Operational Status Agreement between the Occupational Safety and Health Administration (OSHA) and the California State Plan, which specifies the respective areas of federal and state authority, and which clarifies California's coverage over maritime employment and OSHA's coverage over private employers on military installations and federal parks, and under which OSHA gains coverage over private and tribal employers on U.S. Government-recognized Native American reservations and trust lands.

DATES: Effective June 2, 2017.

FOR FURTHER INFORMATION CONTACT:

For press inquiries: Francis Meilinger, OSHA Office of Communications, Room N-3647, U.S. Department of Labor, 200 Constitution Avenue NW., Washington, DC 20210; telephone (202) 693-1999; email: meilinger.francis2@dol.gov.

For general and technical information: Douglas J. Kalinowski, Director, OSHA Directorate of Cooperative and State Programs, Room N-3700, U.S. Department of Labor, 200 Constitution Avenue NW., Washington, DC 20210; telephone: (202) 693-2200; email: kalinowski.doug@dol.gov.

SUPPLEMENTARY INFORMATION: The California State Plan (Cal/OSHA) administers an OSHA-approved State Plan to develop and enforce occupational safety and health standards for private-sector and state and local government employers pursuant to the provisions of section 18 of the Occupational Safety and Health

Act (the Act), 29 U.S.C. 667. The California State Plan received initial federal OSHA plan approval on May 1, 1973 (38 FR 10719) and the Division of Occupational Safety and Health of the California Department of Industrial Relations is designated as the state agency responsible for administering the State Plan. On October 3, 1989, an Operational Status Agreement was entered into between OSHA and Cal/OSHA whereby concurrent federal enforcement authority was suspended with regard to federal occupational safety and health standards in issues covered by the State Plan. Federal OSHA retained its authority over occupational safety and health with regard to federal government employers and employees, and employees of the U.S. Postal Service (effective June 9, 2000). OSHA also retained its authority over private-sector maritime employment on the navigable waters of the United States; private-sector contractors on federal installations; whistleblower complaints under Section 11(c) of the Act; emergency temporary standards; and employers manufacturing explosives for the U.S. Department of Defense. Notice of this OSA was published in the **Federal Register** on July 12, 1990 (55 FR 28613), and there were subsequent minor amendments to the OSA. That 1990 **Federal Register** Notice contained a full history of the California State Plan.

Notice of New Operational Status Agreement

OSHA and Cal/OSHA signed a new OSA on April 30, 2014, which replaced the prior 1989 OSA. This new OSA clarified that concurrent federal enforcement authority would not be initiated with regard to any federal occupational safety and health standards in issues covered by the State Plan. Under the 2014 OSA, Federal OSHA retained coverage over all Federal employees and sites (including the United States Postal Service (USPS), USPS contract employees, and contractor-operated facilities engaged in USPS mail operations). The OSA also clarified that federal OSHA has enforcement authority over private-sector employers within the borders of all military installations and within U.S. National Parks, National Monuments, National Memorials, and National Recreational Areas in California. Further, OSHA gained enforcement authority over private-sector and tribal employers within U.S. Government-recognized Native American reservations and trust lands. Under the 2014 OSA, Federal OSHA retained authority over maritime employment

(except marine construction on bridges and on shore) on the navigable waters of the United States and over whistleblower complaints under Section 11(c) of the Act. The 2014 OSA also did not contain the language from the 1989 OSA about specific elements of the Cal/OSHA program that had achieved operational status.

Federal OSHA and Cal/OSHA will exercise their respective enforcement authority according to the terms of the 2014 OSA between OSHA and Cal/OSHA. All terms of the 2014 OSA remain in effect. Additional information about this OSA is available at <https://www.osha.gov/dccsp/osp/stateprogs/california.html>.

Authority and Signature

Dorothy Dougherty, Assistant Secretary of Labor for Occupational Safety and Health, U.S. Department of Labor, authorized the preparation of this notice. OSHA is issuing this notice under the authority specified by section 18 of the Occupational Safety and Health Act of 1970 (29 U.S.C. 667), Secretary of Labor's Order No. 1–2012 (76 FR 3912), and 29 CFR part 1902 and 1953

Signed in Washington, DC, on May 25, 2017.

Dorothy Dougherty,

Assistant Secretary of Labor for Occupational Safety and Health.

BILLING CODE 4510–26–P

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice: (17–031)]

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to NASA Paperwork Reduction Act Clearance Officer, Code JF000, National

Aeronautics and Space Administration, Washington, DC 20546–0001 or Frances.C.Teel@nasa.gov.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Ms. Frances Teel, NASA Clearance Officer, NASA Headquarters, 300 E Street SW., JF000, Washington, DC 20546, or Frances.C.Teel@nasa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

NASA's Ames Research Center, Human Systems Integration Division manages the NASA Aviation Safety Reporting System (ASRS) under an Interagency Agreement with the Federal Aviation Administration (FAA).

The Aviation Safety Reporting System (ASRS) is an open, voluntary reporting system for any person in National Airspace System to report safety incidents, events, or situations. Respondents include but are not limited to commercial and general aviation pilots, air traffic controllers, flight attendants, maintenance technicians, dispatchers, and other members of the public. The ASRS database is a public repository which serves the FAA, NASA, and other organizations worldwide which are engaged in research and the promotion of safe flight. ASRS data are used to (1) Identify deficiencies and discrepancies in the National Aviation System (NAS) so that these can be remedied by appropriate authorities, (2) Support policy formulation and planning for, and improvements to, the NAS, and, (3) Strengthen the foundation of aviation human factors safety research. Respondents are not reimbursed for associated cost to provide the information. Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

II. Method of Collection

NASA collects this information electronically and that is the preferred manner, however information may also be collected via mail or fax.

III. Data

Title: NASA Aviation Safety Reporting System.

OMB Number: 2700–XXXX.

Type of Review: Existing Information Collection in use without OMB Approval.

Affected Public: Individuals.

Estimated Number of Respondents: 92,228.
