BILLING CODE 9110-04-P

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 165

[Docket Number USCG-2017-0011]

RIN 1625-AA00

#### Safety Zones; Coast Guard Sector Ohio Valley Annual and Recurring Safety Zones Update

**AGENCY:** Coast Guard, DHS.

**ACTION:** Final rule.

**SUMMARY:** The Coast Guard is amending and updating its safety zones regulations that take place in the Coast Guard Sector Ohio Valley area. This informs the public of regularly scheduled events that require additional safety measures through the establishing of a safety zone. Through this rulemaking the current list of recurring safety zones is updated with revisions, additional events, and removal of events that no longer take place in Sector Ohio Valley's AOR. When these safety zones are enforced, certain restrictions are placed on marine traffic in specified areas.

**DATES:** This rule is effective June 6, 2017.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2017-0011 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or email Petty Officer James Robinson, Sector Ohio Valley, U.S. Coast Guard; telephone (502) 779-5347, email [James.C.Robinson@uscg.mil](mailto:James.C.Robinson@uscg.mil).

#### SUPPLEMENTARY INFORMATION:

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
 DHS Department of Homeland Security  
 FR Federal Register  
 NPRM Notice of proposed rulemaking  
 § Section  
 U.S.C. United States Code

##### II. Background Information and Regulatory History

The Captain of the Port Ohio Valley (COTP) is establishing, amending, and updating 33 CFR 165.801 to update our regulations for annual fireworks displays and other events in the Eighth Coast Guard District requiring safety zones with respect to those in Sector Ohio Valley. These events include air shows, fireworks displays, and other marine related events requiring a limited access area restricting vessel traffic for safety purposes.

On March 30, 2017, the Coast Guard published a notice of proposed rulemaking (NPRM) entitled, "Sector Ohio Valley Annual and Recurring Safety Zones Update" (82 FR 15666). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to those recurring safety zones. The public comment period ended on May 1, 2017. During the comment period, we did not receive any comments.

We are issuing this rule, and under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making it effective less than 30 days after publication in the **Federal Register**. It would be impracticable to provide a full 30-days notice because this rule must be effective June 03, 2017.

##### III. Legal Authority and Need for Rule

The Coast Guard's authority for establishing a safety zone is contained at 33 U.S.C. 1231. The Coast Guard is amending and updating the safety zones under 33 CFR part 165 to include the most up to date list of recurring safety zones for events held on or around navigable waters within the Sector Ohio Valley AOR. These events include fireworks displays, air shows, and others. The current list in 33 CFR 165.801 requires amending to provide new information on existing safety zones, include new safety zones expected to recur annually or biannually, and to remove safety zones that are no longer required. Issuing individual regulations for each new safety zone, amendment, or removal of an existing safety zone creates unnecessary administrative costs and burdens. This rulemaking reduces administrative overhead and provides the public with notice through publication in the **Federal Register** of the upcoming recurring safety zones.

##### IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published on March 30, 2017. There are no changes

in the regulatory text of this rule from the proposed rule on the NPRM.

This rule amends and updates part 165 or 33 CFR by revising the current table for Sector Ohio Valley, and by adding 5 new recurring safety zones and removing 1 safety zone as desired in the NPRM. Vessels intending to transit the designated waterway through the safety zone will only be allowed to transit the area when the COTP, or a designated representative, has deemed it safe to do so or at the completion of the event.

##### V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

###### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, it has not been reviewed by the Office of Management and Budget.

The Coast Guard expects the economic impact of this rule to be minimal, and therefore a full regulatory evaluation is unnecessary. This rule establishes safety zones limiting access to certain areas under 33 CFR part 165 within Sector Ohio Valley's AOR. The effect of this rulemaking will not be significant because these safety zones are limited in scope and duration. Additionally, the public is given advance notification through local forms of notice, the **Federal Register**, and/or Notices of Enforcement and thus will be able to plan around the safety zones in advance. Broadcast Notices to Mariners and Local Notices to Mariners will also inform the community of these safety zones. Vessel traffic may request permission from the COTP or a designated representative to enter the restricted areas.

###### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The

term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received 0 comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above this rule will not have a significant economic impact on any vessel owner or operator. Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

*C. Collection of Information*

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

*D. Federalism and Indian Tribal Governments*

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

*E. Unfunded Mandates Reform Act*

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

*F. Environment*

We have analyzed this rule under Department of Homeland Security

Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded under section 2.B.2, figure 2–1, paragraph 34(g) of the Instruction because it involves the establishment of safety zones. A Record of Environmental Consideration (REC) is available in the docket where indicated under **ADDRESSES**.

*G. Protest Activities*

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

**List of Subjects in 33 CFR Part 165**

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

**PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS**

■ 1. The authority citation for part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. In § 165.801, revise the first table to read as follows:

**§ 165.801 Annual Fireworks displays and other events in the Eighth Coast Guard District recurring safety zones.**

**Air Plan Approval; CT; Approval of Single Source Orders; Correction**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Final rule; correction.

**SUMMARY:** The Environmental Protection Agency (EPA) published a final rule in the **Federal Register** on May 1, 2017, approving reasonably available control technology (RACT) orders for two facilities in Connecticut, and also approving the state’s request to withdraw seven previously approved RACT orders from the Connecticut state implementation plan. An error in the amendatory instruction is identified and corrected in this action.

**DATES:** This rule is effective on June 30, 2017.

**FOR FURTHER INFORMATION CONTACT:** Bob McConnell, Environmental Engineer, Air Quality Planning Unit, Air Programs Branch (Mail Code OEP05–02), U.S. Environmental Protection Agency, Region 1, 5 Post Office Square, Suite 100, Boston, Massachusetts, 02109–3912; (617) 918–1046; [mcconnell.robert@epa.gov](mailto:mcconnell.robert@epa.gov).

**SUPPLEMENTARY INFORMATION:** EPA published a direct final rule on May 1, 2017 (82 FR 20262) approving two Connecticut state orders, and also approving the state’s request to withdraw seven previously approved orders from the Connecticut state implementation plan. In this approval, EPA incorrectly identified in the amendatory instructions a paragraph to

be added to 40 CFR 52.370 as paragraph (c)(55)(i)(B). This paragraph should have been identified as (c)(55)(i)(C). Therefore, the amendatory instruction is being corrected to reflect the correct CFR reference.

**Correction**

In the direct final rule published in the **Federal Register** on May 1, 2017, (82 FR 20262), make the following correction:

**§ 52.370 [Corrected]**

■ 1. On page 20266, first column, in amendatory instruction 2 for § 52.370, in the fourth line, the entry for paragraph “(c)(55)(i)(B)” is corrected to read “(c)(55)(i)(C).”

Dated: May 16, 2017.

**Approval and Promulgation of State Plans (Negative Declarations) for Designated Facilities and Pollutants: Connecticut, New Hampshire, Rhode Island, and Vermont; Revisions to State Plan for Designated Facilities and Pollutants: New Hampshire**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Direct final rule.

**SUMMARY:** The Environmental Protection Agency (EPA) is approving: Negative declarations for commercial and industrial solid waste incinerators for the State of Connecticut, the State of New Hampshire, the State of Rhode Island, and the State of Vermont; negative declarations for hospital/medical/infectious waste incinerators for the State of Rhode Island; and

revisions to the state plan for existing large and small municipal waste combustors for the State of New Hampshire. This action is being made in accordance with sections 111 and 129 of the Clean Air Act (CAA).

**DATES:** This direct final rule is effective August 7, 2017, unless EPA receives adverse comments by July 6, 2017. If adverse comments are received, EPA will publish a timely withdrawal of the direct final rule in the **Federal Register** informing the public that the rule will not take effect.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA–R01–OAR–2017–0202 at <https://www.regulations.gov>, or via email to [bird.patrick@epa.gov](mailto:bird.patrick@epa.gov). For comments submitted at *Regulations.gov*, follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from *Regulations.gov*. For either manner of submission, the EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.* on the web, cloud, or other file sharing system). For additional submission methods, please contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section. For the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www2.epa.gov/dockets/commenting-epa-dockets>.

**FOR FURTHER INFORMATION CONTACT:** Patrick Bird, Air Permits, Toxics, & Indoor Programs Unit, Air Programs Branch, Office of Ecosystem Protection, U.S. Environmental Protection Agency,
