### National Oceanic and Atmospheric Administration

#### Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

*Agency:* National Oceanic and Atmospheric Administration (NOAA).  
*Title:* Alaska Pacific Halibut Fisheries: Subsistence.

*OMB Control Number:* 0648-0512.

*Form Number(s):* None.

*Type of Request:* Regular (extension of a currently approved information collection).

*Number of Respondents:* 7,337.

*Average Hours per Response:* Permit applications, 10 minutes; Community harvest log, 30 minutes; Ceremonial or educational harvest log, 30 minutes; Appeal for permit denial, 4 hours.

*Burden Hours:* 1,438.

*Needs and Uses:* This request is for extension of a currently approved information collection.

This information collection describes special permits issued to participants in the Pacific halibut subsistence fishery in waters off the coast of Alaska and any appeals resulting from denials. The National Marine Fisheries Service (NMFS) designed the permits to work in conjunction with other halibut harvest assessment measures. Subsistence fishing for halibut has occurred for many years among the Alaska Native people and non-Native people. Special permits are initiated in response to the concerns of Native and community groups regarding increased restrictions in International Pacific Halibut Commission Area 2C and include Community Harvest Permits, Ceremonial Permits, and Educational Permits.

A Community Harvest Permit allows the community or Alaska Native tribe to appoint one or more individuals from its respective community or tribe to harvest subsistence halibut from a single vessel under reduced gear and harvest restrictions.

Ceremonial and Educational Permits are available exclusively to Alaska Native tribes. Eligible Alaska Native tribes may appoint only one Ceremonial Permit Coordinator per tribe for Ceremonial Permits or one authorized Instructor per tribe for Educational Permits.

Except for enrolled students fishing under a valid Educational Permit,

special permits require persons fishing under them to also possess a Subsistence Halibut Registration Certificate (SHARC) (see OMB No. 0648-0460) which identifies those persons who are currently eligible for subsistence halibut fishing. Each of the instruments is designed to minimize the reporting burden on subsistence halibut fishermen while retrieving essential information.

*Affected Public:* Business or other for-profit organizations; state, local or tribal governments.

*Frequency:* Annually or on occasion.

*Respondent's Obligation:* Required to obtain or retain benefits.

This information collection request may be viewed at [reginfo.gov](http://reginfo.gov). Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [OIRA\\_Submission@omb.eop.gov](mailto:OIRA_Submission@omb.eop.gov) or fax to (202) 395-5806.

Dated: June 15, 2017.

**AGENCY:** National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice.

**SUMMARY:** The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

**DATES:** Written comments must be submitted on or before August 21, 2017.

**ADDRESSES:** Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at [pracomments@doc.gov](mailto:pracomments@doc.gov)).

**SUPPLEMENTARY INFORMATION:****I. Abstract**

This request is for a new information collection.

NOAA is conducting research to estimate the market and non-market economic values associated with whale watching in Stellwagen Bank National Marine Sanctuary (SBNMS) and the surrounding region.

The required information is to conduct surveys of the for hire-operations that take people out for non-consumptive recreation to watch whales or other wildlife, to obtain total use by type of activity (e.g. whale watching, and other wildlife observation) and the spatial use by type of activity. Information will also be obtained on the knowledge, attitudes, and perceptions of for-hire operations towards the sanctuary, sanctuary resources and sanctuary processes.

Surveys will also be conducted of the passengers of the for-hire operation boats to obtain their market and non-market economic use values for whales and other wildlife. Information collected from passengers will include their expenditures, number of trips, activities while visiting the sanctuary and non-market value for improvements to whales and other sanctuary resources. An on-site survey will obtain information on demographic profiles, annual number of whale watching trips in SBNMS, and their non-market economic use value for improvements to whales and sanctuary resources. Self-addressed, postage paid mail back questionnaires will be used for importance-satisfaction ratings and whale watching trip expenditures.

**II. Method of Collection**

The data from the operators will be collected by scheduling appointments to meet with the owner and conduct the survey in-person. For the passengers, surveys will be conducted at the docks after the completion of their whale watching trip and via mail.

**III. Data**

*OMB Control Number:* 0648-XXXX.

*Estimated Time per Response:* 20 minutes per on-site interview of passengers, 20 minutes per importance-satisfaction mail back and 20 minutes for the expenditure mail back. One hour per owner of whale watching operations.

*Estimated Total Annual Burden Hours:* 723.

*Estimated Total Annual Cost to Public:* \$0 in recordkeeping/reporting costs.

**IV. Request for Comments**
