Potassium Permanganate From the People's Republic of China; Rescission of the Antidumping Duty Administrative Review; 2016

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

SUMMARY: On March 15, 2017, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on potassium permanganate from the People's Republic of China (PRC) for two companies. The period of review (POR) is January 1, 2016, to December 31, 2016. On April 27, 2017, the Department published a notice of a partial rescission of the administrative review with respect to Chongqing Changyuan Group Limited (Changyuan). Based on Pacific Accelerator Limited's (PAL) timely withdrawal of its request for review, we are now rescinding this administrative review in its entirety.

DATES: Effective June 20, 2017.

FOR FURTHER INFORMATION CONTACT: Kabir Archuletta or Jessica Weeks, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone (202) 482-2593 or (202) 482-4877, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 10, 2017, the Department published a notice of "Opportunity to Request Administrative Review" of the antidumping duty order on potassium permanganate from the PRC for the POR of January 1, 2016, through December

31, 2016.¹ On January 31, 2017, the Department received timely requests to conduct an administrative review of the antidumping duty order on potassium permanganate from the PRC from PAL and Changyuan.² Based upon those requests, on March 15, 2017, in accordance with section 751(a) or the Tariff Act of 1930, as amended, (the Act) the Department published a notice of initiation of an administrative review of the *Order*³ covering the period January 1, 2016, to December 31, 2016.⁴ The Department initiated the administrative review with respect to PAL and Changyuan.⁵ On April 12, 2017, Changyuan timely withdrew its request for review.⁶ Accordingly, the Department published a notice of partial rescission of the antidumping duty administrative review of potassium permanganate.⁷ On June 13, 2017, PAL withdrew its request for review.⁸

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. PAL was the only remaining respondent in this administrative review, PAL timely withdrew its request for review, and no

other party requested a review of PAL. Further, pursuant to 19 CFR 351.213(d)(1) and as a result of the rescission with respect to PAL and the prior rescission with respect to Changyuan, we are rescinding the administrative review of the antidumping duty order on potassium permanganate from the PRC for the period January 1, 2016, through December 31, 2016, in its entirety.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Because the Department is rescinding this administrative review in its entirety, the entries to which this administrative review pertain shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the

regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(l) of the Act, and 19 CFR 351.213(d)(4).

Dated: June 15, 2017.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Potassium Permanganate From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2015

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

SUMMARY: The Department of Commerce (Department) published the preliminary results of the administrative review of the antidumping duty order on potassium permanganate from the People's Republic of China (PRC) on December 13, 2016. We gave interested parties an opportunity to comment on the *Preliminary Results*, and based upon our analysis of the comments and information received, we made changes to the margin calculation for these final results. The final dumping margin for the reviewed firm is listed below in the "Final Results of the Administrative Review" section of this notice. The period of review (POR) is January 1, 2015, through December 31, 2015.

DATES: Effective June 20, 2017.

FOR FURTHER INFORMATION CONTACT: Kenneth Hawkins, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone 202.482.6491.

SUPPLEMENTARY INFORMATION:

Background

The Department published the *Preliminary Results* on December 13, 2016.¹ This review covers one respondent, Pacific Accelerator Limited

(PAL).² Between January 12 and 17, 2017, PAL and the petitioner, the Carus Corporation, submitted case and rebuttal briefs.³ On April 4, 2017, the Department held a hearing limited to issues raised in the case and rebuttal briefs. On March 30, 2017, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department extended the period for issuing the final results of this review by thirty days, from April 12, 2017 to May 12, 2017. On May 11, 2017, the Department extended the period for issuing the final results of this review a final time for an additional thirty days, from May 12, 2017 to June 12, 2017.⁴

Scope of the Order

Imports covered by this order are shipments of potassium permanganate, an inorganic chemical produced in free-flowing, technical, and pharmaceutical grades. Potassium permanganate is currently classifiable under item 2841.61.00 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS item number is provided for convenience and customs purposes, the written description of the merchandise remains dispositive.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties in this review are addressed in the Issues and Decision Memo (I&D Memo).⁵ A list of the issues which parties raised is attached to this notice as an appendix. The I&D Memo is a public document and is on file in the Central Records Unit (CRU), Room B8024 of the main Department of Commerce building, as well as electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and to all users in the CRU. In addition, a complete version of the I&D Memo can

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, and for the reasons explained in the I&D Memo, we revised the margin calculation for PAL. Specifically, we made adjusted the drum factor of production, and we adjusted PAL's international freight movement expense.

Final Results of the Review

The dumping margins for the final results of this administrative review are as follows:

Exporter	Weighted-average margin (dollars/kilogram) ⁶
Pacific Accelerator Limited ...	\$0.00

Disclosure

The Department will disclose calculations performed for these final results to the parties within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), the Department will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

In accordance with 19 CFR 351.212(b)(1), we are calculating importer- (or customer-) specific assessment rates for the merchandise subject to this review. For assessment purposes, we calculated a per-unit rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total sales quantity associated with those transactions. We will direct CBP to assess the resulting per-unit rate against the entered quantity of the subject

⁶ Consistent with Comment V in the I&D Memo, the Department has determined that it will calculate per-unit assessment and cash deposit rates.
