#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The IDEIA, 20 U.S.C. 1411(h)(4)(c) and 1443(b)(3) require Tribes and Tribal organizations to submit certain information to the Secretary of the Interior. Under the IDEIA, the U.S. Department of Education provides funding to the Secretary of the Interior for the coordination of assistance for special education and related services for Indian children from birth through age 5 with disabilities on reservations served by Bureau-funded schools. The Secretary of the Interior, through the BIE, then allocates this funding to Tribes and Tribal organizations based on the number of such children served. In order to allow the Secretary of the Interior to determine what amounts to allocate to whom, the IDEIA requires Tribes and Tribal organizations to submit information to Interior. The BIE collects this information on two forms, one for Indian children aged 3 through 5 covered by IDEIA Part B, and one for Indian children from birth to age 2 covered by IDEIA Part C.

In IDEIA Part B—Assistance for Education of All Children with Disabilities, 20 U.S.C. 1411(h)(4)(D) Tribes and Tribal organizations are required to use the funds to assist in child find, screening, and other

procedures for the early identification of Indian children aged 3 through 5, parent training, and the provision of direct services. IDEIA Part C—Infants and Toddlers with Disabilities, 20 U.S.C. 1443(b)(4) likewise requires Tribes and Tribal organizations to use the fund to assist in child find, screening, and other procedures for early identification of Indian children under 3 years of age and for parent training and early intervention services.

##### II. Request for Comments

The BIE requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, email address or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
