Section 16, "People Who Know You Well" branching questions will be added to clarify and collect additional information pertaining to the references. Section 18, "Illegal Use of Drugs and Drug Activity" will include instruction to clarify that drug use or activity illegal under Federal laws must be reported, even if that use or activity is legal under state or local law(s). Branching questions will be added regarding drug treatment details, which is pertinent information needed to support final adjudication. Section 19, "Investigations and Clearance Record" will be added with branching questions to elicit information necessary to obtain relevant details regarding prior records, including debarment from government employment. Section 22, "Association Record" will be added with branching questions which collect detailed information pertinent to a respondent's involvement in terrorist organizations, association with persons involved in activities to further terrorism and/or to overthrow the U.S. Government by force or violence.

The general "Authorization for Release of Information" will include clarifying language noting that information gathered during the investigation may include publicly available electronic information, including electronic social media information that has been published or broadcast for public consumption, is available on request to the public, is accessible on-line to the public, is available to the public by subscription or purchase, or is otherwise lawfully accessible to the public. A change is also proposed to the expiration timeframe of the General Release to five years. This change is consistent with the investigative coverage period for low risk, non-sensitive positions. In the event that review of financial information is needed for a particular investigation, the "Fair Credit Reporting Disclosure and Authorization" will be added to the collection.
