Applicants

1. The Trust is registered as an open-end management investment company under the Act and is a statutory trust organized under the laws of Delaware. Applicants seek relief with respect to one Fund (as defined below, and that Fund, the "Initial Fund"). The portfolio positions of each Fund will consist of securities and other assets selected and managed by its Adviser or Subadviser (as defined below) to pursue the Fund's investment objective.

2. The Adviser, a Delaware business trust, will be the investment adviser to the Initial Fund. An Adviser (as defined below) will serve as investment adviser to each Fund. The Adviser is, and any other Adviser will be, registered as an investment adviser under the Investment Advisers Act of 1940 ("Advisers Act"). The Adviser may retain one or more subadvisers (each a "Subadviser") to manage the portfolios of the Funds. Any Subadviser will be registered, or not subject to registration, under the Advisers Act.

3. The Distributor is a Delaware limited liability company and a broker-dealer registered under the Securities

Exchange Act of 1934 and will act as the principal underwriter of Shares of the Funds. Applicants request that the requested relief apply to any distributor of Shares, whether affiliated or unaffiliated with the Adviser (included in the term "Distributor"). Any Distributor will comply with the terms and conditions of the Order.

Requested Exemptive Relief

4. Applicants seek the requested Order under section 6(c) of the Act for an exemption from sections 2(a)(32), 5(a)(1), 22(d) and 22(e) of the Act and rule 22c–1 under the Act, under sections 6(c) and 17(b) of the Act for an exemption from sections 17(a)(1) and 17(a)(2) of the Act, and under section 12(d)(1)(J) of the Act for an exemption from sections 12(d)(1)(A) and (B) of the Act. The requested Order would permit applicants to offer exchange-traded managed funds. Because the relief requested is the same as the relief granted by the Commission under the Reference Order and because the Adviser has entered into, or anticipates entering into, a licensing agreement with Eaton Vance Management, or an affiliate thereof in order to offer exchange-traded managed funds,² the Order would incorporate by reference the terms and conditions of the Reference Order.

5. Applicants request that the Order apply to the Initial Fund and to any other existing or future open-end management investment company or series thereof that: (a) Is advised by the Adviser or any entity controlling, controlled by, or under common control with the Adviser (any such entity included in the term "Adviser"); and (b) operates as an exchange-traded managed fund as described in the Reference Order; and (c) complies with the terms and conditions of the Order and of the Reference Order, which is incorporated by reference herein (each such company or series and Initial Fund, a "Fund").³

6. Section 6(c) of the Act provides that the Commission may exempt any person, security or transaction, or any class of persons, securities or transactions, from any provisions of the Act, if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the

Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors.

7. Applicants submit that for the reasons stated in the Reference Order: (1) With respect to the relief requested pursuant to section 6(c) of the Act, the relief is appropriate, in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act; (2) with respect to the relief request pursuant to section 17(b) of the Act, the proposed transactions are reasonable and fair and do not involve overreaching on the part of any person concerned, are consistent with the policies of each registered investment company concerned and consistent with the general purposes of the Act; and (3) with respect to the relief requested pursuant to section 12(d)(1)(J) of the Act, the relief is consistent with the public interest and the protection of investors.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–81028; File No. SR–ICC–2017–007]

Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to ICC's Cash Investment Yield Schedule

June 27, 2017

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

(“Act”)¹ and Rule 19b-4,² notice is hereby given that on June 16, 2017, ICE Clear Credit LLC (“ICC”) filed with the Securities and Exchange Commission the proposed rule change, as described in Items I, II and III below, which Items have been prepared primarily by ICC. ICC filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change.

I. Clearing Agency’s Statement of the Terms of Substance of the Proposed Rule Change

The principal purpose of the proposed changes is to make changes to ICC’s cash investment yield schedule.

II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of these statements.

A. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

ICC currently retains a portion of interest earned on cash balances, net of cash management expenses. The portion of interest retained is based on an established cash investment yield schedule, which is set forth in the ICC Collateral Management presentation available on the ICC Web site.⁵ ICC proposes changes to its cash investment yield schedule. The proposed revisions to the cash investment yield schedule are set forth in Exhibit 5 hereto, and described in detail as follows.

Currently ICC retains a 10 bps spread for interest rate market environments of 50 bps or greater, net of expenses. As a result of increased treasury expenses due to continued business and regulatory focus on liquidity, ICC proposes an increase to the ICC portion of investment yield on cash balances for

higher interest rate market environments (*i.e.* greater than 100 bps) to 10% of investment yield, net of expenses. ICC also proposes moving the five bps yield section to the ‘zero’ ICC portion of investment yield on cash balances. Currently, a five bps yield results in an ICC investment yield of one bps.

The investment yield schedule changes will apply to both house and client accounts, and ICC proposes to make such changes effective July 3, 2017. ICC will issue a circular notification in advance of the effective date.

ICC believes that the proposed rule changes are consistent with the requirements of the Act, including Section 17A of the Act.⁶ More specifically, the proposed rule changes change a member due, fee or other charge imposed by ICC under Section 19(b)(3)(A)(ii)⁷ of the Act and Rule 19b-4(f)(2)⁸ thereunder. ICC believes the proposed rule changes are consistent with the requirements of the Act and the rules and regulations thereunder applicable to ICC, in particular, to Section 17(A)(b)(3)(D)⁹, because the proposed changes apply equally to all market participants and therefore the proposed changes provide for the equitable allocation of reasonable dues, fees and other charges among participants. As such, the proposed changes are appropriately filed pursuant to Section 19(b)(3)(A)¹⁰ of the Act and paragraph (f)(2) of Rule 19b-4¹¹ thereunder.

B. Clearing Agency’s Statement on Burden on Competition

ICC does not believe the proposed rule change would have any impact, or impose any burden, on competition. The changes to ICC’s investment yield schedule will apply uniformly across all market participants. Therefore, ICC does not believe the proposed rule change imposes any burden on competition that is inappropriate in furtherance of the purposes of the Act.

C. Clearing Agency’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. ICC will notify the Commission of any written comments received by ICC.

III. Date of Effectiveness of the Proposed Rule Change

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)¹² of the Act and Rule 19b-4(f)(2)¹³ thereunder, as the changes to ICC’s investment yield schedule constitute a change to a due, fee, or other charge applicable only to a member. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81034; File No. SR-ISE-2017-58]

Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Specify an Exception to the Manner in Which Market Maker Immediate-or-Cancel Orders Will Be Handled

June 27, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 19, 2017, Nasdaq, ISE LLC ("ISE" or the "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend ISE Rule 715(b)(3) to specify an exception to the manner in which Immediate-or-Cancel Orders will be handled by the System when entered through the

Specialized Quote Feed³ ("SQF") protocol.

The text of the proposed rule change is available on the Exchange's Web site at www.ise.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend ISE Rule 715(b)(3) to specify the manner in which an Immediate-or-Cancel Order will interact with certain order protections when entered through SQF. An Immediate-or-Cancel Order is defined as a limit order that is to be executed in whole or in part upon receipt. Any portion not so executed is to be treated as cancelled.⁴ SQF is an interface that is being introduced with the technology migration to a Nasdaq, Inc. ("Nasdaq") supported architecture.⁵ Today, Members may enter orders through FIX, DTI or Nasdaq Precise on ISE. After the migration to the INET architecture, Members will continue to be able to submit orders through FIX or Nasdaq Precise, as is the case today, and

³ SQF is an interface that allows Market Makers to connect and send quotes, Immediate-or-Cancel Orders and auction responses into ISE.

⁴ See ISE Rule 715(b)(3). Immediate-or-Cancel Orders do not route.

⁵ See Securities Exchange Act Release No. 80432 (April 11, 2017 (SR-ISE-2017-03) (Order Approving Proposed Rule Change, as Modified by Amendment No. 1, to Amend Various Rules in Connection with a System Migration to Nasdaq INET Technology). INET is the proprietary core technology utilized across Nasdaq's global markets and utilized on The NASDAQ Options Market LLC ("NOM"), NASDAQ PHLX LLC ("Phlx") and NASDAQ BX, Inc. ("BX") (collectively, "Nasdaq Exchanges"). The migration of ISE to the Nasdaq INET architecture would result in higher performance, scalability, and more robust architecture. With this system migration, the Exchange intends to adopt certain trading functionality currently utilized at Nasdaq Exchanges. The functionality being adopted is described in this filing.

OTTO will also be available to enter orders. SQF will be available for Market Makers⁶ to enter quotes and also Immediate-or-Cancel Orders. DTI will no longer be available.

With the introduction of SQF, the Exchange proposes to amend ISE Rule 715(b)(3) to state that an Immediate-or-Cancel order entered by a Market Maker through SQF will not be subject to the (i) Limit Order Price Protection and Size Limitation Protection as defined in ISE Rule 714(b)(2) and (3); or (ii) Limit Order Price Protection as defined in Supplementary Material .07(d) to ISE Rule 722. All other Immediate-or-Cancel Orders entered through FIX, OTTO or Nasdaq Precise will continue to be subject to these protections.

ISE Rule 714, entitled "Automatic Execution of Orders," contains a section (b)(2) and (3) which applies to order protections that are automatically enforced by the System. The Limit Order Price Protection sets a limit on the amount by which incoming limit orders to buy may be priced above the Exchange's best offer and by which incoming limit orders to sell may be priced below the Exchange's best bid. Limit orders that exceed the pricing limit are rejected.⁷ Immediate-or-Cancel Orders entered through SQF will not be subject to the Limit Order Price Protection provided in ISE Rule 714(b)(2).

ISE Rule 714(b)(3) provides a protection for size limitation. The System limits the number of contracts an incoming order may specify. Orders that exceed the maximum number of contracts are rejected.⁸ Immediate-or-Cancel Orders entered through SQF will not be subject to this size limitation protection provided in ISE Rule 714(b)(3).⁹

Supplementary Material .07(d) to ISE Rule 722 provides for a Limit Order Price Protection for Complex Orders. This protection limits the amount by which the net price of an incoming complex limit order to buy may exceed the net price available from the individual options series on the Exchange and by which the net price of

⁶ The term "market makers" refers to "Competitive Market Makers" and "Primary Market Makers" collectively. See ISE Rule 100(a)(25).

⁷ The limit is established by the Exchange from time-to-time for orders to buy (sell) as the greater of the Exchange's best offer (bid) plus (minus): (i) An absolute amount not to exceed \$2.00, or (ii) a percentage of the Exchange's best bid/offer not to exceed 10%. See ISE Rule 714(b)(2).

⁸ The maximum number of contracts, which shall not be less than 10,000, is established by the Exchange from time-to-time. See ISE Rule 714(b)(3).

⁹ The Exchange notes that the protection for size limitation will be applied to Complex Immediate-or-Cancel Orders that are entered through SQF.
