The total time burden annual cost is $582.08
Time Burden Basis: The total hourly burden per year, upon respondents, is 17

We are estimating that a mid-level clerical person, with an average salary of $34.24 per hour, will be completing the “Application for Investigation of Representation Dispute” form. The total burden is estimated at 17 hours, therefore, the total time burden cost is estimated at $582.08 per year.

The total annual mailing cost to respondents is $33.32
Number of applications mailed by Respondents per year 68
Total estimated cost $33.32
(68 × .49 stamp)
The collection of this information is not mandatory; it is a voluntary request from airline and railroad carrier employees seeking to invoke an investigation of a representation dispute. After consulting with a sample of people involved with the collection of this information, the time to complete this information collection is estimated to average 15 minutes per response, including gathering the data needed and completion and review of the information. However, the estimated hour burden costs of the respondents may vary due to the complexity of the specific question in dispute. The revision of the form requiring a new application for every craft or class will have little effect on the number of application submitted. In 2012 and 2013, no applications were filed that included a request for representation services for more than one craft or class.
The application form is available from the NMB’s Office of Legal Affairs and is also available on the Internet at http://www.nmb.gov/representation/rapply.html
12. The total annualized Federal cost is $889.49. This includes the costs of printing and mailing the forms upon request of the parties. The completed applications are maintained by the Office of Legal Affairs.
a. Printing cost $80.00
b. Mailing costs $10.02

Basis (mail cost): Forms are requested approximately 3 times per year and it takes 5 minutes to prepare the form for mail
Postage cost = $1.47
3 (times per year) × .49 (cost of postage) Staff cost = $8.55
$.57 × 3 minutes per year = $8.55
Total Mailing Costs = $10.02
c. Processing Cost = $798.00
Basis (processing cost):
Representation is requested approximately 70 times per year and it takes 20 minutes to process each application
Staff Cost = $798.00
$.57 per minute (GS 9/10 $71,467 = $34.24 per hr. + 60)
$.57 × 20 minutes per mailing = $11.40
$11.40 × 70 times per year = $798.00

13. Item 13—no change in annual reporting and recordkeeping hour burden.
14. The information collected by the application will not be published.
15. The NMB will display the OMB expiration date on the form.
16(a)—the form does not reduce the burden on small entities; however, the burden is minimized and voluntary.
16(b)—the form does not indicate the retention period for record keeping requirements.
16(c)—the form is not part of a statistical survey.
