

requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Total Estimated Cost: The total annual cost to all respondent partners is \$909,828. The total annual cost to federal agency respondents is \$195,271.

Changes in Estimates: There is an increase of 1,720 hours in the total estimated respondent partner burden compared with the ICR currently approved by OMB. This increase reflects the following adjustments and program changes:

(1) Adjustments associated with increased interest in SmartWay, and thus, an increase in new annual respondents, as well as robust program retention practices, leading to increased number of existing respondent partners reporting annually, increase in the number of applications for the SmartWay Excellence Awards and the affiliate challenge annually;

(2) Increased burden associated with the SmartWay Tractor and Trailer program; and,

(3) Reduced burden due to EPA's change in policy for submitting Awards materials electronically, rather than by mail.
