RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

Summary: In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's

estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

1. Title and purpose of information collection: Supplemental Information on Accident and Insurance; OMB 3220-0036.

Under Section 12(o) of the Railroad Unemployment Insurance Act (RUIA), the Railroad Retirement Board (RRB) is entitled to reimbursement of the sickness benefits paid to a railroad employee if the employee receives a sum or damages for the same infirmity for which the benefits are paid. Section 2(f) of the RUIA requires employers to reimburse the RRB for days in which salary, wages, pay for time lost or other remuneration is later determined to be payable. Reimbursements under section 2(f) generally result from the award of

pay for time lost or the payment of guaranteed wages. The RUIA prescribes that the amount of benefits paid be deducted and held by the employer in a special fund for reimbursement to the RRB.

The RRB currently utilizes Forms SI-1c, Supplemental Information on Accident and Insurance; SI-5, Report of Payments to Employee Claiming Sickness Benefits Under the RUIA; ID-3s and ID-3s (Internet), Request for Lien Information—Report of Settlement; ID-3s-1, Lien Information Under Section 12(o) of the RUIA; ID-3u and ID-3u (Internet), Request for Section 2(f) Information; ID-30k, Notice to Request Supplemental Information on Injury or Illness; and ID-30k-1, Notice to Request Supplemental Information on Injury or Illness; to obtain the necessary information from claimants and railroad employers. Completion is required to obtain benefits. One response is requested of each respondent. The RRB proposes no changes to the forms in the collection.

2. Title and purpose of information collection: Pension Plan Reports; OMB 3220-0089.

Under Section 2(b) of the Railroad Retirement Act (RRA), the Railroad Retirement Board (RRB) pays supplemental annuities to qualified RRB employee annuitants. A supplemental annuity, which is computed according to Section 3(e) of the RRA, can be paid at age 60 if the employee has at least 30 years of creditable railroad service or at age 65 if the employee has 25–29 years of railroad service. In addition to 25 years of service, a “current connection” with the railroad industry is required. Eligibility is further limited to employees who had at least 1 month of rail service before October 1981 and were awarded regular annuities after June 1966. Further, if an employee’s 65th birthday was prior to September 2, 1981, he or she must not have worked

in rail service after certain closing dates (generally the last day of the month following the month in which age 65 is attained). Under Section 2(h)(2) of the RRA, the amount of the supplemental annuity is reduced if the employee receives monthly pension payments, or a lump-sum pension payment from a private pension from a railroad employer, to the extent the payments are based on contributions from that employer. The employee’s own contribution to their pension account does not cause a reduction. A private railroad employer pension is defined in 20 CFR 216.42.

The RRB requires the following information from railroad employers to calculate supplemental annuities: (a) The current status of railroad employer pension plans and whether such plans cause reductions to the supplemental annuity; (b) whether the employee

receives monthly payments from a private railroad employer pension, elected to receive a lump sum in lieu of monthly pension payments from such a plan, or was required to receive a lump sum from such a plan due to the plan’s small benefit provision; and (c) the amount of the payments attributable to the railroad employer’s contributions. The requirement that railroad employers furnish pension information to the RRB is contained in 20 CFR 209.2.

The RRB currently utilizes Form G-88p and G-88p (Internet), *Employer’s Supplemental Pension Report*, and Form G-88r, *Request for Information About New or Revised Employer Pension Plan*, to obtain the necessary information from railroad employers. One response is requested of each respondent. Completion is mandatory.

The RRB proposes to revise Forms G-88p and G-88p (Internet) to acquire
