

is listed on another national securities exchange.

The Commission has previously approved substantively identical rules for the listing and trading of ETPs on NYSE Arca and NYSE. The Exchange represents that it will not list, but only trade, ETPs on a UTP basis. The Exchange represents that to trade pursuant to UTP any ETP that is listed and traded on another national securities exchange, NYSE MKT would be required to file Form 19b-4(e) with the Commission.

The Commission believes that the Exchange's proposal does not raise any novel issues, and the proposed rules of the Exchange are consistent with the rules of other national securities exchanges that trade securities, including ETPs.²⁹ Additionally, the Exchange represents, and its proposed rules specify, that NYSE MKT will not list any ETPs unless it first obtains Commission approval of a proposed rule change under Section 19(b)(2) of the Act. Therefore, the provisions of proposed Rules 5E and 8E that permit the listing of ETPs would only be effective if the Commission approves a proposed rule change for the Exchange to amend its rules to comply with Rules 10A-3 and 10C-1 under the Act and to incorporate other applicable listing criteria. Finally, the Commission notes that NYSE MKT has represented that it will be responsible for accepting the obligations applicable to a UTP market, including specific requirements for registered market makers, books and records production, surveillance procedures, suitability and prospectus requirements, and requisite Exchange approvals.³⁰

The Commission believes that the UTP trading on NYSE MKT of NMS stocks, including ETPs, listed on other national securities exchanges is consistent with existing UTP trading of NMS stocks on other national securities exchanges and that is designed to increase competition among the different securities markets to the benefit of market participants. The Commission therefore finds that NYSE MKT's proposed rules governing trading on a UTP basis on its Pillar platform are consistent with the Act.

VI. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³¹ that the proposed rule change (SR-NYSEMKT-2016-103), as modified by Amendments

No. 1, 2, and 3, be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³²
