C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National

Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting one hour that will prohibit entry within 700 feet of the launch area for the fireworks display. It is categorically excluded from further review under paragraph 34(g) of Figure 2-1 of the Commandant Instruction. A Record of Environmental Consideration (REC) supporting this determination is available in the docket where indicated in the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

DEPARTMENT OF EDUCATION

34 CFR Part 668

[Docket ID ED-2017-OPE-0090]

Program Integrity: Gainful Employment

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Announcement of applicable dates; request for comments.

SUMMARY: On January 6 and January 19, 2017, the Department announced dates by which institutions subject to the Department's gainful employment (GE) regulations must comply with certain provisions of the GE regulations relating to the submission of alternate earnings appeals and disclosure requirements. On March 6, 2017, the Department announced that it was allowing additional time, until July 1, 2017, to comply with those provisions. On June 15, 2017, the Department announced its intention to negotiate issues related to gainful employment. This document announces that the Department allows additional time, until July 1, 2018, for institutions to comply with certain disclosure requirements in the GE regulations and invites comment on this action. The Department also extends the deadline for all programs to file

alternate earnings appeals in light of the Court Order in *American Association of Cosmetology Schools v. DeVos*, Civil Action No. 17–0263, D.D.C. June 28, 2017 (Court Order). We will issue a **Federal Register** notice to specifically implement the Court Order, including establishing new deadlines, and anticipate doing so within 30 days from the publication date of this notice. We do not change the July 1, 2017, deadline for the requirement to provide a completed disclosure template, or a link thereto, on GE program Web pages.

DATES: The Department is allowing additional time—until July 1, 2018—for institutions to comply with 34 CFR 668.412(d) and (e). We must receive your comments on or before August 4, 2017.

ADDRESSES: Submit your comments through the Federal eRulemaking Portal or via U.S. mail, commercial delivery, or hand delivery. SUPPLEMENTARY INFORMATION: On January 6 and January 19, 2017, the Department announced dates by which institutions subject to the Department’s GE regulations must comply with certain provisions of the GE regulations relating to the submission of alternate earnings appeals and disclosure requirements. On March 6, 2017, the Department announced that it was allowing additional time, until July 1, 2017, to comply with those provisions. On June 16, 2017, the Department announced its intention to negotiate issues related to gainful employment.

Consistent with the Department’s March 6, 2017 announcement, by July 1, 2017, institutions must comply with the requirement in 34 CFR 668.412(c) to provide a completed disclosure template, or a link thereto, on its GE program Web pages. The revised template is available for use at <https://www2.ed.gov/policy/highered/reg/hearulemaking/2009/negreg-summerfall.html>. The Department believes that it should evaluate the utility of these disclosures to students and the implementation of this requirement prior to requiring institutions to include the disclosure template, or a link thereto, in their GE program promotional materials and to directly distribute the disclosure template to prospective students under 34 CFR 668.412(d) and (e). Moreover, the Department expects to further review these requirements as part of its review of the GE regulations and their implementation, including through negotiated rulemaking. Accordingly, the Department is allowing institutions additional time—until July 1, 2018—to comply with the provisions in 34 CFR 668.412(d) and (e).

The Department also extends the deadline for all programs to file alternate earnings appeals in light of the Court Order. We will issue a **Federal Register** notice to specifically implement the Court Order, including establishing new deadlines, and anticipate doing so within 30 days from the publication date of this notice.

We are inviting your comments on this action. We will consider these comments in determining whether to take any future action in connection with the implementation of the disclosure requirements.
