

allow LCH SA to more appropriately take into consideration the risks associated with clearing contracts on the CDX.NA.HY index, and to collect margin and other financial resources that reflect such risks, the Commission believes that the proposed changes are designed to promote the prompt and accurate clearance and settlement of such contracts. As a result, the Commission finds that the proposed rule changes are consistent with Section 17A(b)(3)(F) of the Act.

IV. Conclusion

It is therefore ordered pursuant to Section 19(b)(2) of the Act that the proposed rule change (SR-LCH SA-2017-005), as amended by Amendment No. 1, be, and hereby is, approved.²²

The Plan accomplishes this by creating CAT NMS, LLC (the “Company”), of which each Participant is a member, to operate the CAT.¹² Under the CAT NMS Plan, the Operating Committee of the Company (“Operating Committee”) has discretion to establish funding for the Company to operate the CAT, including establishing fees that the Participants will pay, and establishing fees for Industry Members that will be implemented by the Participants (“CAT Fees”).¹³ The Participants are required to file with the SEC under Section 19(b) of the Exchange Act any such CAT Fees applicable to Industry Members that the Operating Committee approves.¹⁴ Accordingly, FINRA has filed a proposed rule change with the SEC to adopt the Consolidated Audit Trail Funding Fees, which will require Industry Members that are FINRA members to pay the CAT Fees determined by the Operating Committee.¹⁵ FINRA submits this

proposed rule change to adopt FINRA Rule 6898 (Consolidated Audit Trail—Fee Dispute Resolution) to establish the procedures for resolving potential disputes related to CAT Fees charged to Industry Members. Proposed Rule 6898 is described below.

(1) Definitions

Paragraph (a) of proposed Rule 6898 sets forth the definitions for proposed Rule 6898. Paragraph (a)(1) of proposed Rule 6898 states that, for purposes of Rule 6898, the terms “CAT NMS Plan”, “Industry Member”, “Operating Committee”, and “Participant” are defined as set forth in the Rule 6810 (Consolidated Audit Trail Compliance Rule—Definitions), and the term “CAT Fee” is defined as set forth in the Rule 6897 (Consolidated Audit Trail Funding Fees). In addition, FINRA proposes to add paragraph (a)(2) to proposed Rule 6898. New paragraph (a)(2) would define the term “Subcommittee” to mean a subcommittee designated by the Operating Committee pursuant to the CAT NMS Plan. This definition is the same substantive definition as set forth in Section 1.1 of the CAT NMS Plan.

(2) Fee Dispute Resolution

Section 11.5 of the CAT NMS Plan requires Participants to adopt rules requiring that disputes with respect to fees charged to Industry Members pursuant to the CAT NMS Plan be determined by the Operating Committee or Subcommittee. Section 11.5 of the CAT NMS Plan also states that decisions by the Operating Committee or Subcommittee on such matters shall be binding on Industry Members, without prejudice to the right of any Industry Member to seek redress from the SEC pursuant to SEC Rule 608 of Regulation NMS,¹⁶ or in any other appropriate forum. FINRA proposes to adopt paragraph (b) of proposed Rule 6898. Paragraph (b) of proposed Rule 6898 states that disputes initiated by an Industry Member with respect to CAT Fees charged to such Industry Member pursuant to the Consolidated Audit Trail Funding Fees, including disputes related to the designated tier and the fee calculated pursuant to such tier, shall be resolved by the Operating Committee, or a Subcommittee designated by the Operating Committee of the CAT NMS Plan, pursuant to the Fee Dispute Resolution Procedures adopted pursuant to the CAT NMS Plan and set forth in paragraph (c) of proposed Rule 6898. Decisions on such matters shall be binding on Industry Members, without prejudice to the rights of any such

Industry Member to seek redress from the SEC or in any other appropriate forum.

The Operating Committee has adopted “Fee Dispute Resolution Procedures” governing the manner in which disputes regarding CAT Fees charged pursuant to the Consolidated Audit Trail Funding Fees will be addressed. These Fee Dispute Resolution Procedures, as they relate to Industry Members, are set forth in paragraph (c) of proposed Rule 6898. Specifically, the Fee Dispute Resolution Procedures provide the procedure for Industry Members that dispute CAT Fees charged to such Industry Member pursuant to one or more of the Participants’ Consolidated Audit Trail Funding Fees Rules, including disputes related to the designated tier and the fee calculated pursuant to such tier, to apply for an opportunity to be heard and to have the CAT Fees charged to such Industry Member reviewed. The Procedures are modeled after the adverse action procedures adopted by various exchanges,¹⁷ and will be posted on the Web site for the CAT NMS Plan.¹⁸

Under these Procedures, an Industry Member that disputes CAT Fees charged to such Industry Member and that desires to have an opportunity to be heard with respect to such disputed CAT Fees must file a written application with the Company within 15 business days after being notified of such disputed CAT Fees. The application must identify the disputed CAT Fees, state the specific reasons why the applicant takes exception to such CAT Fees, and set forth the relief sought. In addition, if the applicant intends to submit any additional documents, statements, arguments or other material in support of the application, the same should be so stated and identified.

The Company will refer applications for hearing and review promptly to the Subcommittee designated by the Operating Committee pursuant to Section 4.12 of the CAT NMS Plan with responsibility for conducting the reviews of CAT Fee disputes pursuant to these Procedures. This Subcommittee will be referred to as the Fee Review Subcommittee. The members of the Fee Review Subcommittee will be subject to the provisions of Section 4.3(d) of the CAT NMS Plan regarding recusal and Conflicts of Interest. The Fee Review

Subcommittee will keep a record of the proceedings.

The Fee Review Subcommittee will hold hearings promptly. The Fee Review Subcommittee will set a hearing date. The parties to the hearing shall furnish the Fee Review Subcommittee with all materials relevant to the proceedings at least 72 hours prior to the date of the hearing. Each party will have the right to inspect and copy the other party’s materials prior to the hearing.

The parties to the hearing will consist of the applicant and a representative of the Company who shall present the reasons for the action taken by the Company that allegedly aggrieved the applicant. The applicant is entitled to be accompanied, represented and advised by counsel at all stages of the proceedings.

The Fee Review Subcommittee will determine all questions concerning the admissibility of evidence and will otherwise regulate the conduct of the hearing. Each of the parties will be permitted to make an opening statement, present witnesses and documentary evidence, cross examine opposing witnesses and present closing arguments orally or in writing as determined by the Fee Review Subcommittee. The Fee Review Subcommittee also will have the right to question all parties and witnesses to the proceeding. The Fee Review Subcommittee must keep a record of the hearing. The formal rules of evidence will not apply.

The Fee Review Subcommittee must set forth its decision in writing and send the written decision to the parties to the proceeding. Such decisions will contain the reasons supporting the conclusions of the Fee Review Subcommittee.

The decision of the Fee Review Subcommittee will be subject to review by the Operating Committee either on its own motion within 20 business days after issuance of the decision or upon written request submitted by the applicant within 15 business days after issuance of the decision. The applicant’s petition must be in writing and must specify the findings and conclusions to which the applicant objects, together with the reasons for such objections. Any objection to a decision not specified in writing will be considered to have been abandoned and may be disregarded. Parties may petition to submit a written argument to the Operating Committee and may request an opportunity to make an oral argument before the Operating Committee. The Operating Committee will have sole discretion to grant or deny either request.

¹⁷ See, e.g., Chapter X of BATS BZX Exchange, Inc. (Adverse Action); and Chapter X of NYSE National, Inc. (Adverse Action).

¹⁸ The CAT NMS Plan Web site is available at <http://www.catnmsplan.com/>.

¹⁶ 17 CFR 242.608.

The Operating Committee will conduct the review. The review will be made upon the record and will be made after such further proceedings, if any, as the Operating Committee may order. Based upon such record, the Operating Committee may affirm, reverse or modify, in whole or in part, the decision of the Fee Review Subcommittee. The decision of the Operating Committee will be in writing, will be sent to the parties to the proceeding and will be final.

The Procedures state that a final decision regarding the disputed CAT Fees by the Operating Committee, or the Fee Review Subcommittee (if there is no review by the Operating Committee), must be provided within 90 days of the date on which the Industry Member filed a written application regarding disputed CAT Fees with the Company. The Operating Committee may extend the 90-day time limit at its discretion.

In addition, the Procedures state that any notices or other documents may be served upon the applicant either personally or by leaving the same at its, his or her place of business or by deposit in the United States post office, postage prepaid, by registered or certified mail, addressed to the applicant at its, his or her last known business or residence address. The Procedures also state that any time limits imposed under the Procedures for the submission of answers, petitions or other materials may be extended by permission of the Operating Committee. All papers and documents relating to review by the Fee Review Subcommittee or the Operating Committee must be submitted to the Fee Review Subcommittee or Operating Committee, as applicable.

The Procedures also note that decisions on such CAT Fee disputes made pursuant to these Procedures will be binding on Industry Members, without prejudice to the rights of any such Industry Member to seek redress from the SEC, or in any other appropriate forum.

Finally, an Industry Member that files a written application with the Company regarding disputed CAT Fees in accordance with these Procedures is not required to pay such disputed CAT Fees until the dispute is resolved in accordance with these Procedures, including any review by the SEC, or in any other appropriate forum. For these purposes, the disputed CAT Fees means the amount of the invoiced CAT Fees that the Industry Member has asserted pursuant to these Procedures that such Industry Member does not owe to the Company. The Industry Member must pay any invoiced CAT Fees that are not

disputed CAT Fees when due as set forth in the original invoice.

Once the dispute regarding CAT Fees is resolved pursuant to these Procedures, if it is determined that the Industry Member owes any of the disputed CAT Fees, then the Industry Member must pay such disputed CAT Fees that are owed, as well as interest on such disputed CAT Fees from the original due date (that is, 30 days after receipt of the original invoice of such CAT Fees) until such disputed CAT Fees are paid at a per annum rate equal to the lesser of (i) the Prime Rate plus 300 basis points, or (ii) the maximum rate permitted by applicable law.

If the Commission approves the proposed rule change, FINRA will announce the implementation date of the proposed rule change in a *Regulatory Notice* to be published no later than 60 days following Commission approval. The effective date will be no later than 120 days following publication of the *Regulatory Notice* announcing Commission Approval.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹⁹ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest, and Section 15A(b)(5) of the Act,²⁰ which requires, among other things, that FINRA rules provide for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system that FINRA operates or controls.

FINRA believes that this proposal is consistent with the Act because it implements, interprets or clarifies Section 11.5 of the Plan, and is designed to assist FINRA and its Industry Members in meeting regulatory obligations pursuant to the Plan. In approving the Plan, the SEC noted that the Plan "is necessary and appropriate in the public interest, for the protection of investors and the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanism of a national market system, or is otherwise in furtherance of the purposes of the Act."²¹ To the extent that this proposal implements, interprets or clarifies the Plan and

applies specific requirements to Industry Members, FINRA believes that this proposal furthers the objectives of the Plan, as identified by the SEC, and is therefore consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. FINRA notes that the proposed rule change implements Section 11.5 of the CAT NMS Plan approved by the Commission, and is designed to assist FINRA in meeting its regulatory obligations pursuant to the Plan. Similarly, all national securities exchanges and FINRA are proposing this proposed rule to implement the requirements of the CAT NMS Plan. Therefore, this is not a competitive rule filing, and, therefore, it does not raise competition issues between and among the exchanges and FINRA.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve or disapprove such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
