Under the Commission's existing rules, a noncommercial educational (NCE) broadcast station may not conduct fundraising activities to benefit any entity besides the station itself if the activities would substantially alter or suspend regular programming. The Report and Order relaxes the rules to allow NCE stations to spend up to one percent of their total annual airtime conducting on-air fundraising activities that interrupt regular programming for the benefit of third-party non-profit organizations. The Report and Order imposes the following information

collection requirements on NCE stations:

Audience Disclosure: The information collection requirements contained in 47 CFR 73.503(e)(1) requires that a noncommercial educational FM broadcast station that interrupts regular programming to conduct fundraising activities on behalf of third-party non-profit organizations must air a disclosure during such activities clearly stating that the fundraiser is not for the benefit of the station itself and identifying the entity for which it is fundraising. The information collection requirements contained in 47 CFR 73.621(f)(1) requires that a noncommercial educational TV broadcast station that interrupts regular programming to conduct fundraising activities on behalf of third-party non-profit organizations must air a disclosure during such activities clearly stating that the fundraiser is not for the benefit of the station itself and identifying the entity for which it is fundraising. The audience disclosure must be aired at the beginning and the end of each fundraising program and at least once during each hour in which the program is on the air.

Retention of information on fundraising activities in local public inspection file: The information collection requirements contained in 47 CFR 73.3527(e)(14) requires that each noncommercial educational FM broadcast station and noncommercial educational TV broadcast station that interrupts regular programming to conduct fundraising activities on behalf of a third-party non-profit organization must place in its local public inspection file, on a quarterly basis, the following information for each third-party fundraising program or activity: The date, time, and duration of the fundraiser; the type of fundraising activity; the name of the non-profit organization benefitted by the fundraiser; a brief description of the specific cause or project, if any, supported by the fundraiser; and, to the extent that the station participated in tallying or receiving any funds for the non-profit group, an approximation, to the nearest \$10,000, of the total funds raised. The information for each calendar quarter is to be filed by the tenth day of the succeeding calendar quarter (e.g., January 10 for the quarter October–December, April 10 for the quarter January–March, etc.).
