January 31, 2008. The proposed revisions pertain to changes to several regulations and the addition of a new section to the Exclusionary Rules of the North Carolina SIP. These revisions are part of North Carolina’s strategy to meet and maintain the national ambient air quality standards. This action is being taken pursuant to the Clean Air Act and its implementing regulations.

DATES: Written comments must be received on or before August 17, 2017.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R04–OAR–2007–0085 at http://www.regulations.gov. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from Regulations.gov. EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. EPA will generally not consider comments or comment contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit http://www2.epa.gov/dockets/commenting-epa-dockets.

SUPPLEMENTARY INFORMATION: In the Final Rules section of this issue of the Federal Register, EPA is approving the State’s implementation plan revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the final rule. If no adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives relevant adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period on this document. Any parties interested in commenting on this document should do so at this time.

Dated: June 29, 2017.
