- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

Form DS-156 is required by regulation of all nonimmigrant visa applicants who do not use the Online Application for Nonimmigrant Visa (Form DS-160). Posts will use the DS-156 in limited circumstances when use of the DS-160 unavailable as outlined below, to elicit information necessary to determine an applicant's visa eligibility.

Methodology

This form will only be used if in the following limited circumstances when applicants cannot access the DS-160, Online Application for Nonimmigrant Visa:

- An applicant has an urgent medical or humanitarian travel need and the consular officer has received explicit permission from the Visa Office to accept form DS-156;
- The applicant is a student exchange visitor who must leave immediately in order to arrive on time for his/her course and the consular officer has explicit permission from the Visa Office to accept form DS-156;
- The applicant is a diplomatic or official traveler with urgent government business and form DS-160 has been unavailable for more than four hours; or
- Form DS-160 has been unavailable for more than three days and the consular officer receives explicit permission from the Visa Office.

In order to obtain a copy of form an applicant must contact the Embassy or consulate at which he or she is applying and request a copy.

Meredith McEvoy,

Acting Deputy Assistant Secretary, Bureau of Consular Affairs, Department of State.

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36134]

Portland Vancouver Junction Railroad, LLC—Operation Exemption—Rail Lines of Columbia Business Center, Clark County, Wash.

Portland Vancouver Junction Railroad, LLC (PVJR), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to operate approximately 3 miles of rail line owned by Columbia Business Center (CBC), a noncarrier, pursuant to an agreement with FC Service LLC, an agent for CBC, also a noncarrier.

According to PVJR, the 3-mile line is located within a business park in Clark County, Wash., and there are no mileposts. PVJR states that the lines interconnect with lines of the BNSF Railway Company (BNSF).

The transaction may be consummated on or after August 4, 2017, the effective date of the exemption (30 days after the verified notice was filed).¹

PVJR certifies that, as a result of this transaction, its projected revenues would not exceed those that would qualify it as a Class III rail carrier and will not exceed \$5 million. PVJR states that the agreement does not involve any provision or agreement that may limit future interchange.

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than July 27, 2017 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 36134, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, a copy must be served on

¹ PVJR has requested that the effective date of the exemption be advanced to July 31, 2017, so that operations may commence on August 1, 2017. This request will be addressed in a separate decision.
