Title of Collection: Annual Progress Reporting Form for the American Indian Vocational Rehabilitation Services (AIVRS) Program.

OMB Control Number: 1820-0655.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Abstract: The Rehabilitation Services Administration (RSA) of the U.S. Department of Education's (ED) Office

of Special Education and Rehabilitative Services (OSERS) will use this data collection form to capture the performance data from grantees funded under the American Indian Vocational Rehabilitation Services (AIVRS) program (CFDA # 84.250). RSA and ED will use the information gathered annually to: (a) Comply with reporting requirements under the Education Department General Administration Regulations (EDGAR) 34 CFR part 75.118, (b) provide information annually to Congress on activities conducted under this program, and (c) measure performance on the program in accordance with the program indicators identified in the Government Performance Result Act (GPRA). The proposed changes to the existing form will improve user friendliness, clarity of data questions, and accuracy of data reported. Since the ED no longer collects data regarding common measures, the entire section of the report that collects this data is deleted, further reducing burden. These revisions are not significantly different from the original collection, but are proposed to provide clarity, consistency, and usability. In many areas, the data element language has been modified with direct language instead of passive terminology.
