(h) Terminating Action Limitation

Repair of an airplane, as required by paragraph (g) of this AD, does not constitute terminating action for the repetitive inspections required by paragraph (g) of this AD unless otherwise specified in the instructions obtained using the procedures specified in paragraph (j)(2) of this AD.

(i) Optional Terminating Action

Modification of the wings including a detailed inspection of the lower rib feet (rib 2) and bottom skin upper surface of the wings for cracking and all applicable corrective actions, in accordance with the Accomplishment Instructions of Airbus Service Bulletin A320–57–1207, including Appendix 01 and Appendix 02, dated May 26, 2016, constitutes terminating action for the repetitive inspections required by paragraph (g) of this AD for that airplane. If, during modification of an airplane as specified in this paragraph, accomplishment of any modification instruction is not possible due to configuration difficulties, accomplish the modification using the procedures specified in paragraph (j)(1) of this AD.

(j) Other FAA AD Provisions

The following provisions also apply to this AD:

(1) *Alternative Methods of Compliance (AMOCs)*: The Manager, International Branch, ANM–116, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. In accordance with 14 CFR 39.19, send your request to your principal inspector or local Flight Standards District Office, as appropriate. If sending information directly to the manager of the International Branch, send it to the attention of the person identified in paragraph (k)(2) of this AD. Information may be emailed to: 9-ANM-116-

AMOC-REQUESTS@faa.gov. Before using any approved AMOC, notify your appropriate principal inspector, or lacking a principal inspector, the manager of the local flight standards district office/certificate holding district office.

(2) *Contacting the Manufacturer*: For any requirement in this AD to obtain corrective actions from a manufacturer, the action must be accomplished using a method approved by the Manager, International Branch, ANM–116, Transport Airplane Directorate, FAA; or the European Aviation Safety Agency (EASA); or Airbus’s EASA Design Organization Approval (DOA). If approved by the DOA, the approval must include the DOA-authorized signature.

(3) *Required for Compliance (RC)*: If any service information contains procedures or tests that are identified as RC, those procedures and tests must be done to comply with this AD; any procedures or tests that are not identified as RC are recommended. Those procedures and tests that are not identified as RC may be deviated from using accepted methods in accordance with the operator’s maintenance or inspection program without obtaining approval of an AMOC, provided the procedures and tests identified as RC can be done and the airplane can be put back in an airworthy condition. Any substitutions or changes to procedures or tests identified as RC require approval of an AMOC.

VA Homeless Providers Grant and Per Diem Program

AGENCY: Department of Veterans Affairs.

ACTION: Proposed rule.

SUMMARY: The Department of Veterans Affairs (VA) proposes to amend its regulations concerning the VA Homeless Providers Grant and Per Diem (GPD) Program. SUPPLEMENTARY INFORMATION: VA is proposing to amend its regulations for supportive housing benefits for homeless veterans at 38 CFR part 61. Currently, these regulations set forth the general provisions for the homeless grant and per diem program; capital grant application information; per diem payment criteria; special need grant requirements; technical assistance grant information; and the specifics on awarding, monitoring, and enforcing grant agreements. This proposed rulemaking would make additions, revisions, deletions, or technical changes to §§ 61.1, 61.5, 61.33, 61.61 and 61.80. Each of these proposed changes is described below in more detail. VA’s authority for this rulemaking is 38 U.S.C. 501, 2001, 2011, 2012, 2061, and 2064.

§ 61.1—Definitions

VA proposes revisions to the definition of supportive housing in § 61.1 to remove the requirement for recipients to transition homeless veterans into permanent housing “within a period that is not less than 90 days” after the date the veteran has been placed into supportive housing. The ninety (90) day supportive housing requirement was intended to ensure that veterans have sufficient time to take full advantage of all supportive services, thereby enabling their successful transition to permanent housing. However, as each veteran has an individualized treatment plan, they may choose to exit the program before 90 days for a host of reasons (*e.g.*, availability of permanent housing, desire for different environment, family reconciliation, access to new financial resources, dislike of program rules). VA does not see the benefit of maintaining the 90-day requirement. Therefore, we would amend the regulation and propose requiring that recipients transition veterans into permanent housing “as soon as possible but no later than 24 months.” VA would intend for recipients to expedite the transition of veterans from supportive housing into permanent housing in a period far less than twenty-four (24) months, if possible. Transitional housing would still be subject to the requirements of § 61.80, which provides general operational requirements for transitional housing. These requirements, in our experience, would ensure successful transition into permanent housing better than the current requirement stipulating
