

comment in the **Federal Register** on June 23, 2017.<sup>3</sup> The Commission received no comment letters on the proposed rule change.

Section 19(b)(2) of the Act<sup>4</sup> provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The Commission is extending this 45-day time period.

The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider the proposed rule change. The proposed rule change would establish the procedures for resolving potential disputes related to CAT Fees charged to Industry Members.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,<sup>5</sup> designates September 21, 2017, as the date by which the Commission should either approve or disapprove or institute proceedings to determine whether to disapprove the proposed rule change (File Number SR-MRX-2017-08).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>6</sup>
