calendar year 2017. Certain private funds are exempt from reporting on the BE–12 survey. If a U.S. business meets ALL of the following 3 criteria, it is not required to file any BE–12 report except to indicate exemption from the survey if contacted by BEA: (1) The U.S. business enterprise is a private fund; (2) the private fund does not own, directly or indirectly through another business enterprise, an “operating company”—i.e., a business enterprise that is not a private fund or a holding company—in which the foreign parent owns at least 10 percent of the voting interest; AND (3) if the foreign parent owns the private fund indirectly (through one or more other U.S. business enterprises); there are no U.S. “operating companies” between the foreign parent and the indirectly-owned private fund.

(c) Forms to be filed. (1) Form BE–12A must be completed by a U.S. affiliate that was majority-owned by one or more foreign parents (for purposes of this survey, a “majority-owned” U.S. affiliate is one in which the combined direct and indirect ownership interest of all foreign parents of the U.S. affiliate exceeds 50 percent) if, on a fully consolidated basis, or, in the case of real estate investment, on an aggregated basis, any one of the following three items for the U.S. affiliate (not just the foreign parent’s share) was greater than $300 million (positive or negative) at the end of, or for, its fiscal year that ended in calendar year 2017:

(i) Total assets (do not net out liabilities);
(ii) Sales or gross operating revenues, excluding sales taxes; or
(iii) Net income after provision for U.S. income taxes.

(2) Form BE–12B must be completed by:

(i) A majority-owned U.S. affiliate if, on a fully consolidated basis, or, in the case of real estate investment, on an aggregated basis, any one of the three items listed in paragraph (c)(1) of this section (not just the foreign parent’s share) was greater than $60 million (positive or negative) at the end of, or for, its fiscal year that ended in calendar year 2017.

(ii) A minority-owned U.S. affiliate (for purposes of this survey, a “minority-owned” U.S. affiliate is one in which the combined direct and indirect ownership interest of all foreign parents of the U.S. affiliate is 50 percent or less) if, on a fully consolidated basis, or, in the case of real estate investment, on an aggregated basis, any one of the three items listed in paragraph (c)(1) of this section (not just the foreign parent’s share), was greater than $60 million (positive or negative) at the end of, or for, its fiscal year that ended in calendar year 2017.

(3) Form BE–12C must be completed by a U.S. affiliate if, on a fully consolidated basis, or, in the case of real estate investment, on an aggregated basis, none of the three items listed in paragraph (c)(1) of this section for a U.S. affiliate (not just the foreign parent’s share), was greater than $60 million (positive or negative) at the end of, or for, its fiscal year that ended in calendar year 2017.

(4) BE–12 Claim for Not Filing will be provided for response by persons that are not subject to the reporting requirements of the BE–12 survey but have been contacted by BEA concerning their reporting status.

(d) Aggregation of real estate investments. All real estate investments of a foreign person must be aggregated for the purpose of applying the reporting criteria. A single report form must be filed to report the aggregate holdings, unless written permission has been received from BEA to do otherwise. Those holdings not aggregated must be reported separately on the same type of report that would have been required if the real estate holdings were aggregated.

(e) Due date. A fully completed and certified Form BE–12A, BE–12B, BE–12C, or BE–12 Claim for Not Filing is due to be filed with BEA not later than May 31, 2018 (or June 30, 2018 for reporting companies that use BEA’s eFile system).

[RIN 2040–AF74]

**Definition of “Waters of the United States”—Recodification of Pre-Existing Rules**

**AGENCY:** Department of the Army, Corps of Engineers, Department of Defense; and Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** The Environmental Protection Agency and the Department of the Army ("the agencies") are publishing this proposed rule to initiate the first step in a comprehensive, two-step process intended to review and revise the definition of “waters of the United States” consistent with the Executive Order signed on February 28, 2017, “Restoring the Rule of Law, Federalism, and Economic Growth by Reviewing the ‘Waters of the United States’ Rule.” This first step proposes to rescind the definition of “waters of the United States” in the Code of Federal Regulations to re-codify the definition of “waters of the United States,” which currently governs administration of the Clean Water Act, pursuant to a decision issued by the U.S. Court of Appeals for the Sixth Circuit staying a definition of “waters of the United States” promulgated by the agencies in 2015. The agencies would apply the definition of “waters of the United States” as it is currently being implemented, that is informed by applicable agency guidance documents and consistent with Supreme Court decisions and longstanding practice. Proposing to re-codify the regulations that existed before the 2015 Clean Water Rule will provide continuity and certainty for regulated entities, the States, agency staff, and the public. In a second step, the agencies will pursue notice-and-comment rulemaking in which the agencies will conduct a substantive re-evaluation of the definition of “waters of the United States.”

**DATES:** Comments must be received on or before August 28, 2017.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA–HQ–OW–2017–0203, at http://www.regulations.gov. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from Regulations.gov. The agencies may publish any comment received to the public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The agencies will generally not consider comments or comment contents located outside of the primary submission (i.e., on the web, cloud, or other file sharing system).
