(3) On other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) At the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands."

Membership

The NPOAG is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American interests. Current members of the NPOAG are as follows:

The current NPOAG consists of Melissa Rudinger representing general aviation; Alan Stephen, Mark Francis, and Matthew Zuccaro representing commercial air tour operators; Rob Smith representing environmental interests with three current openings; and Leigh Kuwanwisiwma and Martin Begaye representing Native American interests.

Selection

In order to retain balance within the NPOAG, the FAA and NPS are seeking candidates interested in filling these three open seats representing environmental interests. The FAA and NPS invite persons interested in representing environmental interests on the NPOAG to contact Mr. Keith Lusk (contact information is written above in **FOR FURTHER INFORMATION CONTACT**). Requests to serve on the NPOAG must be made to Mr. Lusk in writing and postmarked or emailed on or before August 25, 2017. The request should indicate whether or not you are a member of an environmental association or group. The request should also state what expertise you would bring to the NPOAG as related to issues and concerns with aircraft flights over national parks. The term of service for NPOAG members is 3 years. Current members may re-apply for another term.

On June 18, 2010, President Obama signed a Presidential Memorandum directing agencies in the Executive Branch not to appoint or re-appoint federally registered lobbyists to advisory committees and other boards and commissions. Therefore, before appointing an applicant to serve on the NPOAG, the FAA and NPS will require

the prospective candidate to certify that they are not a federally registered lobbyist.

Issued in Hawthorne, CA, on July 18, 2017.

Keith Lusk,

Program Manager, Special Programs Staff, Western-Pacific Region.
