Dr. Chegini entered into a Voluntary Settlement Agreement with ORI, in which he voluntarily agreed to the following, beginning on July 12, 2017:

(1) Respondent has not applied for or engaged in U.S. Public Health Service (PHS)-supported research since 2012; Respondent has no intention of applying for or engaging in PHS-supported research or otherwise

working with PHS; however, if within five (5) years of the effective date of the Agreement, the Respondent receives or applies for PHS support, the Respondent agreed to have his research supervised for a period of five (5) years from the date of his employment in a position in which he receives or applies for PHS support and agreed to notify his employer(s)/institution(s) of the terms of this supervision; Respondent agreed that prior to the submission of an application for PHS support for a research project on which the Respondent's participation is proposed and prior to Respondent's participation in any capacity on PHS-supported research, Respondent shall ensure that a plan for supervision of Respondent's duties is submitted to ORI for approval; the supervision plan must be designed to ensure the scientific integrity of Respondent's research contribution; Respondent agreed that he shall not participate in any PHS-supported research until such a supervision plan is submitted to and approved by ORI; Respondent agreed to maintain responsibility for compliance with the agreed upon supervision plan;

(2) Respondent agreed that for a period of five (5) years beginning on the date on which the Respondent receives or applies for PHS support, any institution employing him shall submit, in conjunction with each application for PHS funds, or report, manuscript, or abstract involving PHS-supported research in which Respondent is involved, a certification to ORI that the data provided by Respondent are based on actual experiments or are otherwise legitimately derived and that the data, procedures, and methodology are accurately reported in the application, report, manuscript, or abstract;

(3) to exclude himself voluntarily from serving in any advisory capacity to PHS including, but not limited to, service on any PHS advisory committee, board, and/or peer review committee, or as a consultant for a period of five (5) years, beginning with the effective date of the Agreement; and

(4) as a condition of the Agreement, Respondent will request that *J Reprod Immunol* 73(2):118–29, 2007 be retracted.
