Polyethylene Terephthalate Film, Sheet, and Strip From Taiwan:
Preliminary Results and Partial Rescission of Antidumping Duty
Administrative Review; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET Film) from Taiwan. The period of review (POR) is July 1, 2015, through June 30, 2016. This review covers the respondent Nan Ya Plastics Corporation (Nan Ya), a producer and exporter of PET Film from Taiwan. The Department preliminarily determines that sales of subject merchandise have been made below normal value (NV) by Nan Ya during the POR. In addition, we are rescinding this administrative review with respect to Shinkong Materials Technology Corporation (SMTC). Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:
Scope of the Order
The merchandise subject to the order is PET Film. The PET Film subject to the order is currently classifiable under subheading 3920.62.00.90 of the Harmonized Tariff Schedule of the United States.¹

¹ A full description of the scope of the order is contained in the memorandum from James Maeder, Senior Director performing the duties of Deputy Assistant Secretary for Antidumping and

Partial Rescission of Administrative Review
On September 12, 2016, the Department published a notice of initiation of administrative review of the antidumping duty order on PET Film from Taiwan.² On December 12, 2016, the petitioners³ withdrew their request for review with respect to SMTC.⁴ In response to this timely filed request and since no other party requested a review of SMTC, we are rescinding this administrative review, in part, with respect to SMTC, pursuant to 19 CFR 351.215(d)(1).

Methodology
The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an Appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov and is available to all parties in the Central Records Unit in room B8024 of the main Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/frn/index.html. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

### Preliminary Results of Review

As a result of this review, we preliminarily determine the following weighted-average dumping margin for the period July 1, 2015, through June 30, 2016.

### Assessment Rates

Upon completion of the administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b)(1). If Nan Ya’s weighted-average dumping margin is not zero or de minimis (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer’s examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above de minimis. Where the respondent’s weighted-average dumping margin is zero or de minimis, or an importer-specific assessment rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Consistent with the Department’s “automatic assessment” regulation for entries this clarification will apply to entries of subject merchandise during the POR produced by Nan Ya for which it did not know that its merchandise was destined for the United States. Furthermore, for SMTC for which this review is rescinded, we will instruct CBP to assess antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

### Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of PET Film from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be the rate established in the final results of this review (except, if the rate is zero or de minimis, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters is 2.40 percent. These cash deposit requirements, when imposed, shall remain in effect until further notice.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the countervailing duty (CVD) order on polyethylene terephthalate film, sheet and strip (PET film) from India for the period of review (POR) January 1, 2015, through December 31, 2015. Methodology
The Department is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum, dated concurrently with, and hereby adopted by, this notice. A list of topics included in the Preliminary Decision Memorandum is included as an Appendix to this notice.
