

rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commentors will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commentors will not be required to serve copies of filed documents on all other parties. However, the non-party commentors will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the eFiling link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 5 copies of the protest or intervention to the Federal Energy regulatory Commission, 888 First Street NE., Washington, DC 20426.

[Docket No. AD15-10-000]

#### Notice of Availability of the Final Guidelines for Reporting on Cultural Resources Investigations for Natural Gas Projects

The staff of the Federal Energy Regulatory Commission's (FERC or Commission) Office of Energy Projects has finalized its revised *Guidelines for Reporting on Cultural Resources Investigations for Natural Gas Projects (Guidelines)*, which was issued in draft form on January 25, 2017, for comment. The *Guidelines* have been revised to provide updated guidance on

communicating with federally recognized tribes; clarifications regarding off-the-record communications; documentation for Blanket Certificate Programs; and to address substantive comments received on the draft *Guidelines*.

The *Guidelines* can be found in Docket Number AD15-10-000. The full text of the *Guidelines* can be viewed on the Commission's Web site at <http://www.ferc.gov/industries/gas/enviro/guidelines.asp>.

The *Guidelines* are intended to provide guidance to the industry. This manual does not substitute for, amend, or supersede the Commission's regulations under the Natural Gas Act of 1938 or the Commission's and Council on Environmental Quality's regulations under the National Environmental Policy Act. It imposes no new legal obligations and grants no additional rights.

In response to the draft *Guidelines*, Commission staff received comments from federally recognized Indian tribes, industry representatives, federal and state agencies, and non-governmental organizations. Staff reviewed and considered each comment and modified several portions of the document in response. Staff declined to modify the document where comments either were too project- or location-specific to be included in general guidance, were already adequately/accurately addressed as written, or regarded topics that were not relevant to the *Guidelines*.

All of the information related to the proposed updates to the *Guidelines* and submitted comments can be found on the FERC Web site ([www.ferc.gov](http://www.ferc.gov)) using the eLibrary link. Click on the eLibrary link, click on Docket Search and in the Docket Number field enter the docket number AD15-10, excluding the last three digits. For assistance, please contact FERC Online Support at [FercOnlineSupport@ferc.gov](mailto:FercOnlineSupport@ferc.gov) or toll free at (866) 208-3676, or for TTY, contact (202) 502-8659. The eLibrary link also provides access to formal documents issued by the Commission, such as orders, notices, and rulemakings.
