This notice sets out a summary of the use and burden associated with the following information collections. More detailed information can be found in each collection's supporting statement and associated materials (see **ADDRESSES**).

CMS-417 Hospice Request for Certification and Supporting Regulations

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

BILLING CODE 4120-01-P**DEPARTMENT OF HEALTH AND HUMAN SERVICES****Administration for Children and Families****Submission for OMB Review; Comment Request**

Title: Personal Responsibility Education Program (PREP) Promising Youth Programs (PYP).

OMB No.: New Collection.

Description: The Personal Responsibility Education Program (PREP) grantees provide education to adolescents on both abstinence and contraception for the prevention of pregnancy and sexually transmitted infections, as well as education on additional topics to prepare youth for adulthood. PREP programs are overseen by the Family and Youth Services Bureau (FYSB), in the Administration for Children and Families (ACF), in the U.S. Department of Health and Human Services (HHS).

The Promising Youth Programs (PYP) project supports PREP programming in two ways. First, it supports PREP grantees as they collaborate with independent evaluators to conduct evaluations of their programs. Second, it is working to develop curricula to address PREP-related needs for underserved youth. PYP is overseen by ACF's Office of Planning, Research, and Evaluation (OPRE). To support the PYP project, FYSB and OPRE seek approval to collect the following information:

(1) *Abstract template:* We will annually ask grantees and their independent evaluators to develop/update abstracts about their evaluations.

(2) *CONSORT (CONSolidated Standards of Reporting Trials) diagram template:* We will bi-annually ask grantees and their independent evaluators for information about study recruitment, enrollment, and retention.

(3) *Baseline equivalence template:* We will bi-annually ask grantees and their independent evaluators for information that demonstrates whether program and comparison groups are comparable.
