Providing a "true-up" opportunity is necessary because the data sources that are used to generate the fee assessments are subject to change at time of transfer or assignment of the license. Per 47 CFR 1.1119 and 1.1166, the FCC may, upon a properly submitted written request, waive or defer collection of an application fee or waive, reduce, or defer payment of a regulatory fee in a specific instance for good cause shown where such action would promote the public interest. When submitting the request, no specific form is required.

FCC requires that when licensees or regulatees request exemption from regulatory fees based on their non-profit status, they must file a one-time documentation sufficient to establish their non-profit status. The documentation may take the form of an IRS Determination Letter, a state charter indicating non-profit status, proof of church affiliation indicating tax exempt status, etc.
