BILLING CODE 4333-15-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[LLMT922200-17X-L13100000-FI0000-P;NDM 94112-MO#4500107589]

Proposed Reinstatement of Terminated Oil and Gas Lease NDM 94112, North Dakota

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of lease reinstatement.

SUMMARY: As required under the Mineral Leasing Act of 1920, Emerald Oil, Inc. timely filed a petition for reinstatement of competitive oil and gas lease NDM 94112, McKenzie County, North Dakota. The lessee paid the required rental and royalties accruing from the date of termination. No leases were issued that affect these lands. The Bureau of Land Management proposes to reinstate the lease.

FOR FURTHER INFORMATION CONTACT:

Kimberly Werven, Chief, Fluids Adjudication Section, Bureau of Land Management Montana State Office, 5001 Southgate Drive, Billings, Montana 59101-4669; telephone: 406-896-5091; email: kwerven@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The lessee agrees to new lease terms for rentals and royalties of \$10 per acre, or fraction

thereof, per year, and 16 $\frac{2}{3}$ percent, respectively. The lessee agrees to additional or amended stipulations. The lessee paid the \$500 administration fee for the reinstatement of the lease and \$159 cost for publishing this Notice.

The lessee met the requirements for reinstatement of the lease per Sec. 31(d) and (e) of the Mineral Leasing Act of 1920. We are proposing to reinstate the lease, effective the date of termination, subject to the:

- Original terms and conditions of the lease;
- Additional and amended stipulations;
- Increased rental of \$10 per acre;
- Increased royalty of 16 $\frac{2}{3}$ percent; and
- \$159 cost of publishing this Notice.

Authority: 30 U.S.C. 188.

Kimberly Werven,

Chief, Fluids Adjudication Section.

Notice of Inventory Completion: Arkansas State Highway and Transportation Department, Little Rock, AR

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: The Arkansas State Highway and Transportation Department has completed an inventory of human remains, in consultation with the appropriate Indian tribes or Native Hawaiian organizations, and has determined that there is no cultural affiliation between the human remains and any present-day Indian tribes or Native Hawaiian organizations. Representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request to the Arkansas State Highway and Transportation Department. If no additional requestors come forward, transfer of control of the human remains to the Indian tribes or Native Hawaiian organizations stated in this notice may proceed.

DATES: Representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written

request with information in support of the request to the Arkansas State Highway and Transportation Department at the address in this notice by September 21, 2017.

ADDRESSES: Kristina Boykin, Arkansas State Highway and Transportation Department, P.O. Box 2261, Little Rock, AR 72203, telephone (501) 569-2079, email Kristina.Boykin@ahtd.AR.gov.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains under the control of the Arkansas State Highway and Transportation Department. The human remains were removed from a salvage operation in Randolph County, AR.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3) and 43 CFR 10.11(d). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

History and Description of the Remains

In 1888, human remains representing, at minimum, two individuals were recovered from site 3RA387 in Randolph County, AR. The human remains were discovered during a salvage operation of site 3RA387 as part of the re-routing of Highway 304. Excavations were undertaken by the Arkansas State Highway and Transportation Department. Currently, the remains are being stored at the Arkansas Archeological Survey's curation facility. The gender and age of the human remains were undetermined. No known individuals were identified. No associated funerary objects are present. No diagnostic artifacts were found at site 3RA387 to indicate when these human remains were buried. The cultural and temporal identity of these human remains is difficult to discern and they cannot be clearly culturally affiliated with an Indian tribe.

Determinations Made by the Arkansas State Highway and Transportation Department

Officials of the Arkansas State Highway and Transportation Department have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of two individuals of Native American ancestry.

- Pursuant to 25 U.S.C. 3001(2), a relationship of shared group identity cannot be reasonably traced between the Native American human remains and any present-day Indian tribe.

- Treaties, Acts of Congress, or Executive Orders, indicate that the land from which the Native American human remains were removed is the aboriginal land of The Osage Nation (previously listed as the Osage Tribe).

- Pursuant to 43 CFR 10.11(c)(1), the disposition of the human remains may be to The Osage Nation (previously listed as the Osage Tribe).

Additional Requestors and Disposition

Representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request with information in support of the request to Kristina Boykin, Arkansas State Highway and Transportation Department, P.O. Box 2261, Little Rock, AR 72203, telephone (501) 569-2079, email Kristina.Boykin@ahtd.AR.gov, by September 21, 2017. After that date, if no additional requestors have come forward, transfer of control of the human remains to The Osage Nation (previously listed as the Osage Tribe) may proceed.

The Arkansas State Highway and Transportation Department is responsible for notifying The Osage Nation (previously listed as the Osage Tribe) that this notice has been published.

Dated: July 6, 2017.

Melanie O'Brien,

Manager, National NAGPRA Program.

Notice of Inventory Completion: Tennessee Valley Authority, Knoxville, TN

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: The Tennessee Valley Authority (TVA) has completed an inventory of human remains and associated funerary objects in consultation with the appropriate federally recognized Indian Tribes, and has determined that a cultural affiliation between the human remains and associated funerary objects and any

present-day federally recognized Indian Tribes cannot be reasonably traced. Representatives of any federally recognized Indian Tribe not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request to TVA. If no additional requestors come forward, transfer of control of the human remains and associated funerary objects to the federally recognized Indian Tribe stated in this notice may proceed.

DATES: Representatives of any federally recognized Indian Tribe not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to TVA at the address in this notice by September 21, 2017.

ADDRESSES: Dr. Thomas O. Maher, TVA, 400 West Summit Hill Drive, WT11D, Knoxville TN 37902-1401, telephone (865) 632-7458, email tomaher@tva.gov.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains and associated funerary objects under the control of TVA. The human remains and associated funerary objects were removed from archeological sites in Colbert and Lauderdale Counties, AL.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3) and 43 CFR 10.11(d). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations in this notice.

Consultation

A detailed assessment of the human remains and associated funerary objects was made by TVA professional staff in consultation with representatives of the Absentee-Shawnee Tribe of Indians of Oklahoma; Alabama-Coushatta Tribe of Texas (previously listed as the Alabama-Coushatta Tribes of Texas); Cherokee Nation; Coushatta Tribe of Louisiana; Eastern Band of Cherokee Indians; Mississippi Band of Choctaw Indians; Poarch Band of Creeks (previously listed as the Poarch Band of Creek Indians of Alabama); The Chickasaw Nation; The Choctaw Nation of Oklahoma; The Muscogee (Creek) Nation; The Seminole

Nation of Oklahoma; and United Keetoowah Band of Cherokee Indians in Oklahoma (hereafter referred to as "The Consulted Tribes").

History and Description of the Remains

From August 5, 1936 to August 13, 1937, human remains representing, at minimum, 309 individuals were removed from the Mulberry Creek site (1CT27) in Colbert County, AL, by the Alabama Museum of Natural History at the University of Alabama (AMNH). TVA acquired this site on March 25, 1936, for the Pickwick Reservoir project. This shell midden site was at the confluence of Mulberry Creek and the Tennessee River. While there are no radiocarbon dates from this site, the stratified distribution of material culture suggests the primary occupation was during the Late Archaic period (4000-1000 B.C.). Ceramics were only found in the upper three feet of this shell midden, suggesting occupations during the Colbert (300 B.C.-A.D. 100) and McKelvey phases (A.D. 500-1000). The human remains and associated funerary objects are in the physical custody of AMNH and include adults, juveniles, and infants of both sexes. No known individuals were identified. The 3,300 associated funerary objects are 3 stone flakes; 2 antler billets; 2 antler punches; 1 anvil stone; 1 atlatl weight; 4 Baldwin Plain body sherds; 1 Baytown Plain var. McKelvey rim sherd; 1 Benton projectile point; 18 chert bifaces; 5 bone beads; 2 bone fids/awls; 1 bone needle; 12 bone pins; 7 bone pin fragments; 1 carved bone pin; 1 chert celt; 3 ceramic sherds; 175 crinoid stems; 1 Cypress Creek projectile point; 1 Elora projectile point; 2 chert drills; 2 shell gorget fragments; 2 hammerstones; 1 hoe, limestone; 1 knife, chert; 8 unidentified projectile points; 1 Little Bear Creek projectile point; 3 Maples projectile points; 4 modified bones; 5 Morrow Mountain projectile points; 1 Mulberry Creek Cordmarked basal sherd; 1 Mulberry Creek projectile point; 54 drilled canine teeth pendants; 2 Pickwick projectile points; 4 triangular projectile points; 8 chert preforms; 1 lot of unmodified shell; 2,903 shell or stone beads; 6 shell gorgets; 1 stone axe; 2 unmodified turtle shells; 32 turtle shell fragments; 6 unmodified bivalve shells; and 8 White Springs projectile points.

From September 22, 1936 to September 30, 1937, human remains representing, at minimum, 481 individuals were removed from the Bluff Creek site (1LU59) in Lauderdale County, AL, by AMNH. TVA acquired this site on December 23, 1936, for the Pickwick Reservoir project, and the excavation was conducted with Federal
